Before You Begin

Every Granny Square should have:

- Straight edges
- Firm corners
- Even tension
- Similar measurements

Blocking your squares before joining will greatly improve the finished look.

H2: Step 1 – Crochet the Granny Squares

You will need approximately:

18–20 Granny Squares

The exact number depends on the shoe size.

Round 1

Start with your first color.

1. Ch 4.
2. Join with a slip stitch to form a ring.
3. Ch 3 (counts as first dc).
4. Work 2 dc into the ring.
5. Ch 2.
6. Work 3 dc.
7. Ch 2.
8. Repeat two more times.
9. Join with sl st to top of beginning ch-3.

You now have four corners.

Round 2

Join a new color if desired.

1. Ch 3.
2. Work 2 dc in the same corner.
3. Ch 2.
4. Work 3 dc in the same corner.
5. Continue around.

In every corner:

- 3 dc
- Ch 2
- 3 dc

Join with slip stitch.

Round 3

Continue with another color if desired.

In each corner:

- 3 dc
- Ch 2
- 3 dc

Along each side:

- 3 dc in every chain space.

Finish with a slip stitch.

Fasten off.

Weave in the yarn ends.

Repeat until all Granny Squares are completed.

H2: Step 2 – Arrange and Join the Granny Squares

Lay every square flat before joining.

Arrange the colors until you're happy with the appearance.

Mix warm and cool colors evenly to create a balanced design.

Avoid placing identical colors directly beside each other.

Joining Method

Use cream-colored yarn.

Place two squares with wrong sides together.

Insert the hook through both loops.

Work Slip Stitches across the edge.

Continue joining every square according to your layout.

Maintain even tension.

Do not pull the stitches too tightly.

The joining seam becomes a decorative feature.

Suggested Layout

Each slipper uses squares for:

- Toe
- Sides
- Heel

- Front
- Back
- Ankle

Double-check the arrangement before joining permanently.

H2: Step 3 – Build the Boot Shape

Once every square is connected, begin shaping.

Fold the joined fabric into a boot shape.

Match the side seams carefully.

The front squares should align perfectly.

Close the Heel

Slip stitch or whipstitch the back seam.

Keep stitches even.

Avoid twisting the fabric.

Shape the Foot

Fold the lower portion.

Join from the heel toward the toe.

The slipper should now resemble a soft boot.

Try it on before continuing.

Adjust if necessary.

Check the Fit

The boot should fit snugly without stretching excessively.

If needed:

- Add another joining row.
- Tighten loose seams.
- Reinforce weak areas.

H2: Step 4 – Crochet the Sole Edge

Join cream yarn at the bottom edge.

Work one complete round around the entire slipper.

Use:

Single Crochet (sc)

Place one stitch into every edge.

In corners:

Work two single crochet stitches if needed to keep the edge flat.

Join with a slip stitch.

Why This Step Matters

This round:

- Strengthens the slipper
- Creates a cleaner edge
- Makes attaching the sole easier
- Improves durability

H2: Step 5 – Crochet the Sole (Optional)

For extra comfort and durability, crochet an additional sole.

Foundation

Chain enough stitches to match your foot length.

Begin working around both sides of the chain.

Continue in continuous rounds.

Increase evenly at:

- Toe
- Heel

Maintain an oval shape.

Build Thickness

Work 2–3 additional rounds.

Use Single Crochet throughout.

The thicker the sole, the warmer the slipper.

Attach the Sole

Place the crocheted sole beneath the slipper.

Join using:

- Slip Stitch
or
- Whip Stitch

Keep the stitches invisible whenever possible.

Optional Non-Slip Finish

For indoor use, apply:

- Non-slip fabric paint
or
- Rubber dots
or
- Purchased slipper soles

Allow everything to dry completely.

H2: Step 6 – Crochet the Folded Cuff

Join cream yarn at the top edge.

The cuff is worked in rows.

Row 1

Ch 9.

Beginning in the second chain:

Work 1 bpdC (or the stitch pattern shown in the chart) across.

Turn.

Row 2

Work in the back loops only.

Continue across.

Turn.

Repeat Row 2 until the strip wraps completely around the boot opening.

Join the two short ends.

Sew the cuff onto the slipper.

Fold downward.

The folded cuff creates the cozy boot appearance.

H2: Finishing the Slippers

Use your yarn needle to weave in every loose end.

Inspect all seams.

Reinforce any areas that receive extra stress.

Steam lightly if needed.

Do not overheat acrylic yarn.

Allow the slippers to cool before wearing.

H2: Main Crochet Stitches Used

Chain (ch)

Creates the foundation for the project.

Slip Stitch (sl st)

Used for joining rounds and assembling the squares.

Single Crochet (sc)

Provides structure and durability.

Half Double Crochet (hdc)

Adds height while maintaining flexibility.

Double Crochet (dc)

Forms the classic Granny Square clusters.

Back Post Double Crochet (bpdC)

Creates the stretchy ribbed cuff.

H2: Helpful Tips

- ✓ Block every square before joining.
- ✓ Count stitches after every round.
- ✓ Keep consistent tension throughout the project.
- ✓ Change colors at the end of each round for cleaner transitions.
- ✓ Weave in ends as you go.
- ✓ Test the fit before closing the final seam.
- ✓ Reinforce the heel with an extra row if the slippers will be worn frequently.
- ✓ Add non-slip soles for safer indoor walking.
- ✓ Wash gently by hand.
- ✓ Lay flat to dry.

H2: Color Ideas

These slippers look beautiful in many color combinations.

Try:

- Autumn Harvest 
- Vintage Cottage 
- Ocean Breeze 
- Forest Greens 
- Rainbow Bright 
- Neutral Farmhouse 
- Christmas Colors 
- Pastel Spring 
- Denim Blues 
- Rustic Earth Tones 

H2: Care Instructions

- Hand wash only.
- Use cool water.
- Mild detergent recommended.
- Do not bleach.
- Lay flat to dry.
- Avoid high heat.
- Store flat when not in use.

H2: Congratulations! 🎉
