

Crochet Autumn Wreath

Step-by-Step Tutorial

Finished Size

Outer diameter: about 30 cm (12 in)
Inner diameter: about 18 cm (7 in)

Materials

- Worsted weight yarn (size 4)
 - Cream (wreath base)
 - Rust orange
 - Mustard yellow
 - Terracotta
 - Off white
 - Olive green
 - Beige
 - Light brown
- Scissors
- Yarn needle
- Stitch marker
- Hot glue (optional)
- Foam ring or crocheted ring (we will crochet the ring)

Abbreviations (U.S. Terms)

- ch = chain
- sl st = slip stitch
- sc = single crochet
- hdc = half double crochet
- dc = double crochet
- inc = increase (2 sc in same st)
- dec = decrease (sc 2 together)
- rnd = round
- st = stitch
- sts = stitches
- FO = fasten off
- rep = repeat
- [] = number of stitches at the end of the round

1 Crochet the Wreath Ring

Make a long tube and join it to form a ring.

ch 90 (measure around your foam ring or adjust to desired size).
Join with sl st, being careful not to twist.

2 Build the Base

Rnd 1: sc in each ch around. [90]
Rnd 2: sc in each st around. [90]
Continue for 6–8 rounds or until the tube fits a foam ring or is firm enough.

3 Stuff and Shape

Stuff with fiberfill as you go or insert a foam ring inside.
Join the ends securely with sl st and weave in the tail.

4 Create the Ribbed Look

Wrap the ring with yarn to create a cozy ribbed texture.
Use long strands of yarn, pass the yarn through the center and wrap evenly around the ring.
Secure the end on the back.

5 Crocheted Pumpkins (make 5)

Pumpkin Pattern
Rnd 1: ch 2, 6 sc in 2nd ch from hook. [6]
Rnd 2: inc in each st. [12]
Rnd 3: (sc, inc) x 6. [18]
Rnd 4: (2 sc, inc) x 6. [24]
Rnd 5–8: sc in each st. [24]
FO, leaving a long tail. Pull tail tight to close and shape the pumpkin.

Finishing the Pumpkin

- Insert yarn needle through the center and pull tightly.
- Wrap yarn around several times to create the segments.
- Add a small crocheted or wooden center (or use a bead).

Small Pumpkin

Use thinner yarn or stop at Rnd 4 for a smaller size.

Pumpkin Center

ch 2, 6 sc in 2nd ch, sl st, FO.
Sew to the center.

6 Leaves (make several)

Use different sizes and colors.
Follow the leaf pattern below.

Leaf Pattern (medium size)
ch 12
Row 1: sc in 2nd ch, hdc, dc, dc, hdc, sc, sl st, ch 1, turn
Row 2: sl st, sc, hdc, dc, dc, hdc, sc
Ch 1, turn and work down the other side of the chain in the same stitches. FO, leaving a long tail.

7 Small Leaves (2 styles)

Style 1
ch 8, work sc, hdc, dc, hdc, sc on one side, sl st, then repeat on the other side.

Style 2
ch 6, sc, hdc, dc, hdc, sc on one side, repeat on the other side. FO.

8 Foliage Sprigs

Berry Sprig
ch 3, 5 sc in 3rd ch, sl st. Make several and join with a thin stem (chain).

Leaf Branch
ch 20, sc in 2nd ch, hdc, (dc, ch 2, sl st in 2nd ch from hook, dc) rep to the end. FO.

9 Assemble the Arrangement

- Arrange the pumpkins, leaves and sprigs on the bottom of the wreath.
- Sew each piece with a yarn needle or use hot glue for a secure hold.
- Layer the leaves and foliage to create a natural look.
- Fill gaps with small leaves and berry sprigs.
- Adjust the position until you are happy with the design.

Detailed Photo Guide – Making a Leaf

1 Ch 12.

2 Sc in 2nd ch from hook.

3 Hdc in next st.

4 Dc in next 2 sts.

5 Hdc in next st.

6 Sc and sl st at the tip.

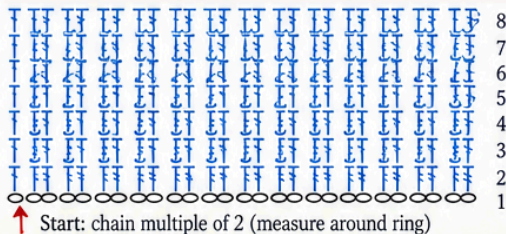

7 Completed leaf.

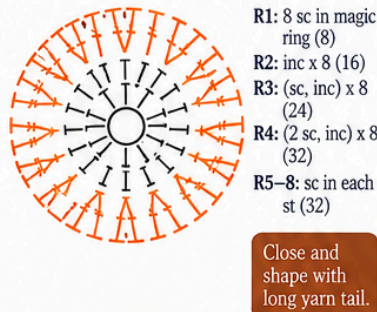

Stitch Key (U.S. Terms)

	ch = chain		= magic ring
	sl st = slip stitch		= worked in back loop only
	sc = single crochet		= worked in front loop only
	hdc = half double crochet		= slip stitch join
	dc = double crochet		= direction of work
	tr = treble crochet (triple crochet)		= start here
	inc = 2 sc in same stitch		= end here
	dec = decrease (sc 2 together)		[] = repeat instructions
	FPdc = front post double crochet		() = number of stitches at the end of the round
	BPdc = back post double crochet		

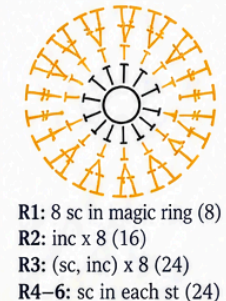

1. Wreath Base (Ribbed Cover)

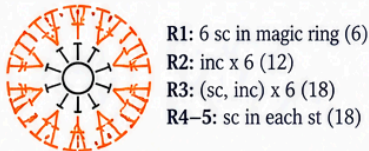

2. Large Pumpkin (make 2)

3. Medium Pumpkin (make 2)

4. Small Pumpkin (make 1)

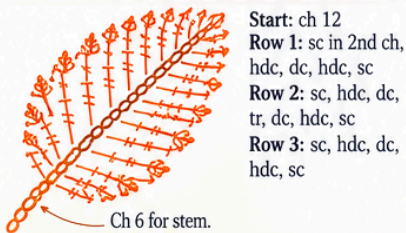

5. Pumpkin Center (all pumpkins)

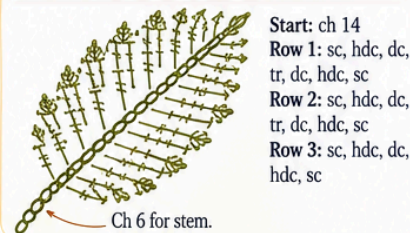

6. Simple Berry (make several)

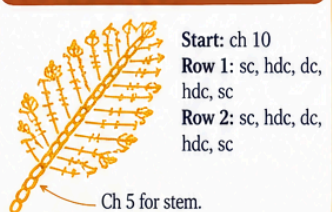

7. Large Leaf (make several - style 1)

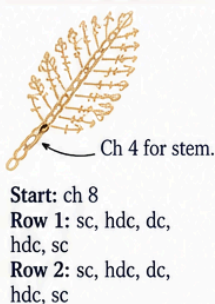

8. Large Leaf (style 2)

Crochet Autumn Wreath Step-by-Step Tutorial – Pumpkins, Leaves, and Decorative Foliage Pattern

Create a beautiful Crochet Autumn Wreath featuring a soft ivory ribbed base, five miniature crocheted pumpkins, colorful fall leaves, delicate foliage branches, and small decorative berries. This handmade wreath is perfect for decorating a front door, living room, entryway, or cozy farmhouse-style space during the fall season.

This complete tutorial follows the visual design in the reference chart and uses U.S. crochet terminology, with detailed instructions for beginners and intermediate crocheters. You will learn how to make the circular wreath base, crochet pumpkins in different sizes, create textured autumn leaves, assemble decorative branches, and attach every element securely.

The finished wreath measures approximately 30 cm (12 inches) across, with an inner opening of approximately 18 cm (7 inches). You can adjust these measurements depending on the size of your wreath form, yarn thickness, and crochet tension.

The chart serves as the visual reference. The written instructions below clarify the construction and stitch counts where necessary so the project can be completed consistently from beginning to end.

Step 1: Gather Your Materials and Prepare Your Workspace

Before starting your Crochet Autumn Wreath Pattern, organize your materials and choose a warm autumn color palette.

<https://creative.craftsforlove.com/> - SEE THE BEST PATTERNS

Materials Needed

- Worsted weight yarn (size 4) in ivory or cream for the wreath base
- Rust orange yarn for large pumpkins
- Mustard yellow yarn for medium pumpkins
- Terracotta yarn for smaller pumpkins
- Off-white yarn for additional pumpkins and foliage
- Olive green yarn for autumn leaves
- Beige yarn for delicate foliage branches
- Light brown yarn for pumpkin centers
- 4.0 mm (G/6) crochet hook
- 3.5 mm (E/4) crochet hook for smaller details
- 30 cm (12-inch) foam wreath form
- Polyester fiberfill for stuffing pumpkins
- Yarn needle
- Stitch markers
- Sharp scissors
- Sewing pins
- Optional hot glue gun for securing decorations

Finished Project Measurements

Component	Approximate size
Wreath outer diameter	30 cm (12 in)
Wreath inner diameter	18 cm (7 in)

<https://creative.craftsforlove.com/> - SEE THE BEST PATTERNS

Large pumpkins **6–7 cm**

Medium pumpkins **4–5 cm**

Small pumpkins **3–4 cm**

Large leaves **8–10 cm**

Medium leaves **6–8 cm**

Small leaves **4–5 cm**

These dimensions are approximate. Your results may vary slightly depending on your yarn and tension.

Understanding the Basic Stitches

Chain (ch): Make a slip knot, yarn over, and pull the yarn through the loop on your hook.

Slip stitch (sl st): Insert the hook into the designated stitch, yarn over, and pull through both the stitch and the loop on your hook.

Single crochet (sc): Insert the hook into the stitch, yarn over, and pull up a loop. Yarn over again and pull through both loops.

Half double crochet (hdc): Yarn over, insert the hook into the stitch, yarn over, and pull up a loop. Yarn over and pull through all three loops.

Double crochet (dc): Yarn over, insert the hook into the stitch, yarn over, and pull up a loop. Yarn over and pull through two loops twice.

Treble crochet (tr): Yarn over twice, insert the hook, and pull up a loop. Yarn over and pull through two loops three times.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Increase (inc): Work two single crochet stitches into one stitch.

Decrease (dec): Insert the hook into the next stitch and pull up a loop. Repeat in the following stitch, then yarn over and pull through all three loops.

Back loop only (BLO): Work into the loop of the stitch farthest from you. This technique creates raised ribs in the fabric.

Magic ring (MR): Create an adjustable loop, crochet the required stitches into the loop, and pull the yarn tail to close the center.

Step 2: Crochet the Circular Wreath Base

The wreath base provides the structure for the entire decoration. In the reference image, it has a thick, soft appearance with closely spaced vertical ribs.

For a durable and evenly shaped result, use a foam wreath form covered with crocheted fabric.

Part A: Prepare the Wreath Form

Choose a foam ring with an outer diameter of approximately 30 cm and an inner diameter of approximately 18 cm.

Measure the circumference around the outside of the ring and the thickness of the foam.

These measurements will help you determine how much crocheted fabric you need.

Part B: Crochet the Base Cover

Using ivory yarn and a 4.0 mm hook:

Foundation: Ch 90, or adjust the number of chains to match the circumference of your foam ring.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Make sure the foundation chain is not twisted.

Join the final chain to the first chain using a slip stitch.

Round 1: Ch 1, work 1 sc into each chain around. Join with sl st. (90 sts)

Round 2: Ch 1, work 1 sc into each stitch around. Join with sl st. (90 sts)

Rounds 3–8: Repeat Round 2.

Continue beyond Round 8 if necessary until the crocheted cover fits the thickness of your wreath form.

The number of rounds may need adjustment depending on the foam ring and your crochet tension.

Part C: Add the Ribbed Texture

The reference wreath has pronounced vertical ridges.

For a close visual match, the easiest method is to wrap the foam ring with long lengths of ivory yarn after positioning the crocheted cover.

- 1. Cut several long lengths of ivory yarn.**
- 2. Secure the first length to the back of the ring.**
- 3. Wrap the yarn around the foam form, passing through the center opening.**
- 4. Keep each wrap close to the previous one.**
- 5. Continue until the entire ring is covered with evenly spaced ribs.**
- 6. Secure the final yarn end on the back using a yarn needle.**

For an entirely crocheted alternative, create a long ribbed rectangle using single crochet in the back loops only, then sew it around the foam ring.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Part D: Secure the Base

Place the crocheted cover around the foam wreath.

Adjust the fabric so it lies evenly across the entire surface.

Use a yarn needle to sew the opening closed along the back.

If making a fully crocheted wreath without a foam form, create a sufficiently wide tube, fill it gradually with fiberfill, and join the ends into a circular shape.

The finished ring should be firm enough to support the pumpkins and leaves without losing its circular shape.

Step 3: Create the Hanging Loop

The hanging loop is positioned at the top center of the wreath.

Use the same ivory yarn as the base.

Instructions:

- 1. Attach yarn to the top back of the wreath.**
- 2. Ch 25.**
- 3. Sl st into the attachment point to form a loop.**
- 4. Ch 1 and work sc stitches around the loop for extra strength, if desired.**
- 5. Fasten off and weave in the ends securely.**

The finished loop should measure approximately 7–9 cm when flattened, depending on your tension.

For heavier wreaths, reinforce the loop with additional yarn strands.

Step 4: Crochet the Large Autumn Pumpkins 🎃

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The finished design features two prominent pumpkins in warm autumn shades.

One is rust orange, and the other is creamy ivory.

The pumpkins have rounded bodies with deep decorative grooves.

Large Pumpkin Pattern – Make 2

Use worsted weight yarn and a 3.5 mm hook.

Work in continuous rounds unless otherwise indicated.

Round 1: Make a magic ring and work 8 sc into the ring. (8 sts)

Round 2: Inc in each stitch around. (16 sts)

Round 3: Repeat [1 sc, inc] 8 times. (24 sts)

Round 4: Repeat [2 sc, inc] 8 times. (32 sts)

Round 5: Sc in each stitch around. (32 sts)

Round 6: Sc in each stitch around. (32 sts)

Round 7: Sc in each stitch around. (32 sts)

Round 8: Sc in each stitch around. (32 sts)

The chart stops after the straight rounds. To create a fully enclosed pumpkin, continue with the following shaping rounds.

Round 9: Repeat [2 sc, dec] 8 times. (24 sts)

Round 10: Repeat [1 sc, dec] 8 times. (16 sts)

Begin filling the pumpkin with polyester fiberfill.

Round 11: Dec 8 times. (8 sts)

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Fasten off, leaving a long yarn tail.

Thread the tail through the front loops of the remaining stitches and pull tightly to close the opening.

Create the Pumpkin Grooves

The characteristic pumpkin texture is made by wrapping yarn around the stuffed body.

- 1. Thread a long matching yarn strand onto a yarn needle.**
- 2. Insert the needle through the center of the pumpkin from bottom to top.**
- 3. Wrap the yarn over the outside surface.**
- 4. Insert the needle through the center again.**
- 5. Pull gently to create an indentation.**
- 6. Repeat around the pumpkin, creating six to eight sections.**

Keep the tension consistent so the sections appear evenly spaced.

Shape the Pumpkin

Press the top and bottom of the pumpkin gently toward each other.

This creates the slightly flattened shape visible in the reference image.

Adjust the fiberfill with your fingers until the pumpkin looks symmetrical.

Step 5: Crochet the Medium and Small Pumpkins

The wreath contains five pumpkins in total.

For a balanced arrangement, make:

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

- 2 large pumpkins in rust orange and ivory
- 2 medium pumpkins in mustard yellow and ivory
- 1 small pumpkin in terracotta

Medium Pumpkin Pattern – Make 2

Round 1: 8 sc in MR. (8)

Round 2: Inc in each stitch around. (16)

Round 3: Repeat [1 sc, inc] 8 times. (24)

Rounds 4–6: Sc in each stitch around. (24)

Round 7: Repeat [1 sc, dec] 8 times. (16)

Stuff lightly.

Round 8: Dec 8 times. (8)

Fasten off, close the opening, and leave a long tail for shaping.

Wrap the yarn around the pumpkin to form six or eight vertical grooves.

Small Pumpkin Pattern – Make 1

Round 1: 6 sc in MR. (6)

Round 2: Inc in each stitch around. (12)

Round 3: Repeat [1 sc, inc] 6 times. (18)

Rounds 4–5: Sc in each stitch around. (18)

Round 6: Repeat [1 sc, dec] 6 times. (12)

Stuff lightly.

Round 7: Dec 6 times. (6)

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Close the opening and shape the pumpkin using the same wrapping technique.

Pumpkin Color Placement

Use the following arrangement to reproduce the composition:

Pumpkin in	Color	Position
Large 1	Rust orange	Lower center-left
Large 2	Ivory	Lower center-right
Medium 1	Ivory	Left side
Medium 2	Mustard yellow	Upper right
Small 1	Terracotta	Far right

Do not attach the pumpkins yet. Set them aside until all the decorative elements are finished.

Step 6: Crochet the Pumpkin Centers

Each pumpkin features a small brown center.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

These decorative centers give the pumpkins a more realistic handmade appearance.

Pumpkin Center Pattern

Using light brown yarn and a 3.5 mm hook:

Round 1: Ch 2, work 6 sc into the second chain from the hook.
(6 sts)

Join with a slip stitch.

Fasten off, leaving a long tail for sewing.

Make five centers, one for each pumpkin.

Attach the Centers

Place a brown center on top of each pumpkin.

Thread the yarn tail through a needle.

Sew around the center using small, nearly invisible stitches.

Pull the thread slightly to create a natural indentation.

You may substitute a small wooden bead for a decorative variation, but crocheted centers provide a softer finish.

Step 7: Crochet the Large Autumn Leaves

The colorful leaves create the beautiful autumn atmosphere of this wreath.

Use mustard yellow, rust orange, terracotta, olive green, and beige yarn.

The reference design includes leaves in several sizes, with pointed ends and textured edges.

Large Leaf Pattern – Style 1

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Use a 3.5 mm crochet hook.

Foundation: Ch 12.

Row 1:

1. Work 1 sc into the second chain from the hook.
2. Work 1 hdc into the next chain.
3. Work 1 dc into each of the next 2 chains.
4. Work 1 tr into each of the next 3 chains.
5. Work 1 dc into each of the next 2 chains.
6. Work 1 hdc into the next chain.
7. Work 1 sc into the final chain.

Continue around the end of the foundation chain to work along the opposite side.

Row 2:

Work the following stitches into the unused loops along the opposite side:

- 1 sc
- 1 hdc
- 2 dc
- 3 tr
- 2 dc
- 1 hdc
- 1 sc

Join with a slip stitch near the starting point.

This produces an elongated leaf with a fuller center.

Add Decorative Leaf Texture

To create a more detailed surface, use surface slip stitches.

Attach yarn at the bottom of the leaf.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Work a line of slip stitches toward the pointed end to create the central vein.

Add short diagonal lines branching from the center toward the edges.

These raised lines imitate natural leaf veins.

Create the Leaf Stem

Attach yarn at the bottom of the leaf.

Ch 6.

Sl st into the second chain from the hook and each remaining chain.

Fasten off, leaving a tail for assembly.

Large Leaf Pattern – Style 2

Make a slightly longer leaf using an initial chain of 14 instead of 12.

Follow the same shaping principle, using more treble crochet stitches near the center.

For a pointed appearance, place the shortest stitches near both ends and the tallest stitches in the middle.

Create several leaves in rust orange, olive green, and golden yellow.

Step 8: Crochet the Medium and Small Leaves

The medium and small leaves help fill empty spaces between the pumpkins.

They also create depth and natural movement in the wreath.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Medium Leaf Pattern

Foundation: Ch 10.

First side:

Work:

1 sc, 1 hdc, 2 dc, 1 tr, 2 dc, 1 hdc, 1 sc.

Work around the end of the chain.

Second side:

Repeat the same stitch sequence along the opposite side.

Join with a slip stitch.

Fasten off, leaving a long tail.

Small Leaf Pattern

Foundation: Ch 8.

First side:

Work:

1 sc, 1 hdc, 1 dc, 1 tr, 1 dc, 1 hdc.

Work around the end of the chain.

Second side:

Repeat the same sequence along the opposite side.

Join with a slip stitch.

Add Stems

For medium leaves, ch 5 at the base and work slip stitches back along the chain.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

For small leaves, use ch 4.

Fasten off and weave in the ends unless you need them for sewing.

Recommended Quantity

For a full arrangement similar to the reference image, make approximately:

- 6 large leaves
- 8 medium leaves
- 10 small leaves

These quantities are suggestions. Adjust them according to the fullness of your wreath.

Step 9: Crochet the Decorative Foliage Sprigs

The foliage sprigs give the wreath a delicate, natural appearance.

Use off-white, beige, mustard yellow, and olive green yarn.

Simple Berry Sprig

Using beige yarn:

Step 1: Ch 3.

Step 2: Work 5 sc into the third chain from the hook.

Step 3: Join with sl st to form a small rounded berry.

Step 4: Ch 8 to create a stem.

Step 5: Fasten off, leaving a long yarn tail.

Make several berries using this method.

Join the Berries Into a Branch

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Create a main stem by chaining approximately 20 stitches.

Attach individual berries at different points along the stem.

Alternate their positions so the branch appears natural.

For a fuller decorative sprig, create five to seven small berries.

Crochet a Leaf Branch

Using olive green or beige yarn:

Foundation: Ch 20.

Work 1 sc into the second chain from the hook.

Continue with sc stitches along the chain to form the main stem.

To make the small branches, attach yarn at selected points along the stem.

For each branch:

- 1. Ch 6.**
- 2. Work sc, hdc, dc, hdc, and sc along the chain.**
- 3. Sl st into the main stem.**
- 4. Move to the next attachment point.**
- 5. Repeat to create additional leaves.**

Make the branches on alternating sides.

Create a Natural Shape

Use different lengths for each small branch.

Longer branches should be positioned toward the center of the arrangement.

Shorter branches work best near the tips.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Make approximately four to six foliage sprigs in coordinating colors.

Step 10: Arrange the Pumpkins and Leaves on the Wreath

Now that the crocheted pieces are finished, begin planning the decorative arrangement.

Place the wreath flat on a table with the hanging loop at the top.

The design should be concentrated along the lower third of the ring, extending slightly upward on both sides.

Arrange the Large Elements First

Position the two large pumpkins along the bottom section.

Place the rust orange pumpkin slightly left of center.

Place the large ivory pumpkin toward the lower right.

These two pumpkins create the main visual focus.

Add the Medium Pumpkins

Place the medium ivory pumpkin on the left side.

Position the mustard yellow pumpkin above and slightly to the right of the large ivory pumpkin.

Place the small terracotta pumpkin at the far right.

The pumpkins should overlap slightly, but their individual shapes should remain visible.

Position the Large Leaves

Place the largest leaves behind the pumpkins.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Angle some leaves upward along the left side of the wreath.

Repeat on the right side, extending the foliage slightly farther outward.

Mix the colors to create contrast.

Fill the Remaining Spaces

Add medium leaves between the large leaves.

Use small leaves to fill gaps near the pumpkins.

Position beige and ivory foliage sprigs behind the colorful leaves.

Finally, place the berry branches where additional texture is needed.

The arrangement should appear full but not overcrowded.

Step 11: Attach All Decorations Securely

Once you are satisfied with the arrangement, attach the decorations permanently.

Sewing Method

Sewing is an excellent option for a fully handmade crochet wreath.

Use a yarn needle and matching yarn.

Begin with the larger leaves.

Secure each leaf near its base using several small stitches.

Next, attach the foliage sprigs.

Finally, sew the pumpkins onto the wreath.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

For each pumpkin, pass the needle through the back of the pumpkin and the crocheted wreath cover several times.

Make sure the pumpkins remain stable when the wreath is held upright.

Optional Hot Glue Method

You may use a hot glue gun to attach the decorations more quickly.

Apply a small amount of glue to the back of each piece.

Press the decoration gently against the wreath.

Allow the glue to cool completely before moving the wreath.

Hot glue is best suited to an indoor decorative wreath. Use caution when handling hot adhesive.

Layering Technique

For a natural, professional-looking result, build the arrangement in layers:

Back layer: Large leaves and long foliage branches.

Middle layer: Medium leaves, small leaves, and berry sprigs.

Front layer: Crocheted pumpkins and small decorative accents.

This layered structure creates depth and helps the pumpkins stand out.

Step 12: Complete the Finishing Details

The final stage is all about adjusting the wreath and creating a neat finish.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Check the Shape

Hold the wreath upright by the hanging loop.

Check that the foam ring remains circular.

Make sure the decorative arrangement is balanced.

Adjust any leaves that appear too flat or hidden.

Secure Loose Yarn Ends

Turn the wreath over.

Use a yarn needle to weave in all loose ends.

Trim any excess yarn carefully.

Check the back of the wreath for exposed knots.

Shape the Leaves

If the crocheted leaves curl excessively, lightly dampen them and pin them into the desired shape on a blocking mat.

Allow them to dry completely before attaching them to the wreath.

Avoid wet blocking pieces already attached to a foam wreath.

Check the Hanging Loop

Test the hanging loop before displaying the finished decoration.

Make sure it supports the weight of the wreath securely.

If necessary, reinforce the attachment with additional stitches.

Display Your Autumn Wreath

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Your completed Crochet Autumn Wreath can be displayed on an interior door, wall hook, mantel, or covered entryway protected from rain and strong sunlight.

For outdoor display, choose a sheltered location to help preserve the yarn colors and the shape of the decorations.

Step 13: Helpful Tips for Beginners

Keep your stitches consistent. Even tension helps the wreath cover look smooth and gives the pumpkins a uniform shape.

Use stitch markers. When crocheting pumpkins in continuous rounds, place a marker in the first stitch of each round to avoid losing your position.

Stuff the pumpkins gradually. Add small amounts of fiberfill at a time. Overstuffing can make the pumpkins difficult to shape.

Experiment with autumn colors. Ivory, rust, mustard, terracotta, olive green, and beige work beautifully together.

Make the leaves in different sizes. A mixture of large and small leaves creates a more natural appearance.

Arrange before attaching. Pin all decorations in place and inspect the design before sewing or gluing.

Remember that the chart is a visual guide. The precise size of the foam form, yarn tension, and chosen decorations may require small adjustments to the stitch counts or number of pieces.

Step 14: Final Crochet Wreath Assembly Checklist

Project completion

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The ivory wreath base is completely covered and securely closed.

The hanging loop is reinforced and centered.

Two large, two medium, and one small pumpkin are completed.

All five pumpkins have defined grooves and brown centers.

Large, medium, and small leaves are finished.

Foliage branches and decorative berries are completed.

The leaves and sprigs are arranged behind the pumpkins.

All decorations are securely sewn or attached.

Loose yarn ends are hidden and the wreath hangs evenly.

Reset checklist

Conclusion: Enjoy Your Handmade Crochet Autumn Wreath 

Your Crochet Autumn Wreath with Pumpkins and Leaves is now complete!

By following this tutorial, you have practiced several useful crochet techniques, including single crochet, half double crochet, double crochet, treble crochet, increases, decreases, working in rounds, and decorative shaping.

The combination of a soft ivory wreath base, richly colored pumpkins, and layered autumn foliage creates a charming seasonal decoration that celebrates the warmth of fall.

You can also personalize this pattern by using different yarn colors, adding more leaves, making extra pumpkins, or changing the wreath size.

Whether you display it in your home or give it as a handmade gift, this crochet wreath is a beautiful way to welcome the autumn season with creativity and warmth.
