

Crochet Acorn Wall Hanging

Step by Step Tutorial

Materials

- Worsted weight cotton yarn (4 medium)
 - Brown (acorn cap)
 - Beige (acorn body)
 - Green (leaf)
 - Rust/orange (leaf)
 - Mustard yellow (leaf)
- Crochet hook: 4.0 mm (G/6)
- Yarn needle
- Scissors
- Stitch markers (optional)

Stitches Used (US Terms)

∞	ch	chain		Chain (ch)
o	sl st	slip stitch		Single crochet (sc)
+	sc	single crochet		Single crochet (sc)
T	hdc	half double crochet		Half double crochet (hdc)
⌋	dc	double crochet		Double crochet (dc)
⌋⌋	tr	treble crochet		Treble crochet (tr)
∨	inc	increase (2 sc in same stitch)		Increase (2 sc in same st)
∧	dec	decrease (sc2tog)		Decrease (sc2tog)

1 Crochet the Acorn Body (Bottom)

- Start with a chain and work rows of single crochet, increasing at the beginning and end to create the rounded bottom. Make 1 piece in beige.

- Continue working straight rows until the piece measures approximately 21 cm wide and 19 cm high. Fasten off.

2 Crochet the Acorn Cap (Top)

- Start with a chain and work rows of half double crochet (hdc) in a textured stitch pattern. The cap should be about 21 cm wide and 8 cm high.

- Make the stem: Ch 6, work rows of single crochet until it measures 4 cm high. Fasten off.

- Sew the stem to the center top of the cap.

3 Crochet the Leaves (Make 3)

- Green leaf: Follow the leaf pattern below. Make 1.

- Orange leaf: Follow the same pattern. Make 1.

- Yellow leaf: Follow the same pattern. Make 1.

4 Crochet the Bow

- Make a rectangular strip of sc, wrap the center and sew. Make 1 bow in beige.

5 Hanging Cord

- Chain a long cord (about 40 cm) or make an I-cord. Attach to the back of the cap.

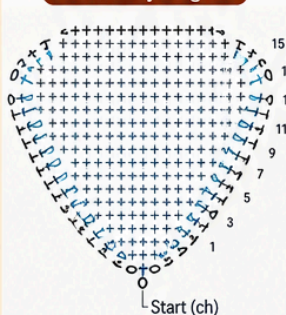

6 Assembly

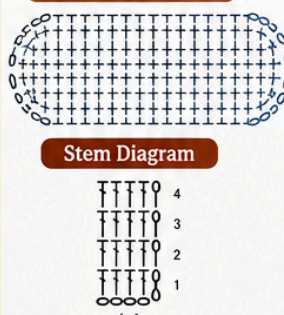

- Sew the cap to the body.
- Arrange and sew the leaves.
- Sew the bow at the bottom.
- Attach the hanging cord on the back of the cap.

Crochet Acorn Wall Hanging – Complete Step-by-Step Tutorial (US Crochet Terms)

The Crochet Acorn Wall Hanging is a beautiful autumn-inspired decoration featuring a textured brown acorn cap, a soft beige body, three colorful crochet oak leaves, and an elegant handmade bow. This cozy project is perfect for decorating your home during fall, Thanksgiving, or any season when you want to bring a little warmth and nature indoors.

This tutorial follows the design shown in the reference chart, using US crochet terminology and explaining each important stage, from creating the acorn body to attaching the hanging cord. The finished decoration measures approximately 28 cm (11 inches) tall and 21 cm (8.3 inches) wide, excluding the hanging cord.

The reference chart provides the overall construction, approximate dimensions, and stitch diagrams. Some individual stitch counts are not fully specified, so the instructions below include practical shaping guidance and adjustable measurements to help you reproduce the design. Check your work against the chart as you go.

Step 1: Gather Your Crochet Materials

Before beginning, organize all your supplies and choose yarn colors that complement one another. The original design uses earthy autumn shades that work beautifully together.

Materials needed

- Brown worsted-weight cotton yarn (Medium 4): For the textured acorn cap and stem.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

- **Beige or cream worsted-weight cotton yarn (Medium 4):**
For the acorn body and decorative bow.
- **Olive green yarn:** For the first oak leaf.
- **Rust or burnt orange yarn:** For the second oak leaf.
- **Mustard yellow yarn:** For the third oak leaf.
- **4.0 mm (G/6) crochet hook:** For the main project.
- **Yarn needle:** For sewing the pieces together and weaving in yarn ends.
- **Scissors:** For cutting yarn.
- **Stitch markers:** Optional, but useful for identifying important stitches.
- **Measuring tape:** For checking the dimensions.
- **Straight pins:** For positioning the decorative elements before sewing.

A small amount of polyester stuffing or a piece of firm fabric interfacing may also be used if you prefer a slightly padded or more structured wall hanging. These materials are optional and are not required by the original chart.

Finished measurements

Component	Approximate size
Complete acorn	28 cm high × 21 cm wide
Acorn cap	21 cm wide × 8 cm high
Acorn stem	4 cm high

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

**Decorative
bow strip** **15 cm long × 4 cm
wide**

Hanging cord **40 cm long before
attachment**

**Crochet
leaves** **Adjust to fit the front
of the acorn**

The measurements are approximate. Your finished project may vary depending on yarn thickness, crochet tension, and blocking.

Step 2: Understand the Crochet Stitches and Abbreviations

The pattern uses common US crochet stitches. Beginners should become familiar with these abbreviations before starting.

Abbrevia tion	US crochet term	Description
ch	Chain	Forms the foundation of crochet work
sl st	Slip stitch	Joins stitches or moves yarn without adding height

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

sc	Single crochet	Creates a firm, dense fabric
hdc	Half double crochet	Slightly taller than single crochet
dc	Double crochet	Creates taller, more flexible stitches
tr	Treble crochet	Produces long stitches for decorative shaping
inc	Increase	Work 2 stitches into the same stitch
dec	Decrease	Combine 2 stitches into 1
sc2tog	Single crochet 2 together	A single crochet decrease
st(s)	Stitch(es)	Refers to individual crochet stitches
RS	Right side	The visible front of the work
WS	Wrong side	The back of the work

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

FO	Fasten off	Secure the final stitch and cut the yarn
-----------	-------------------	---

Important techniques

Single crochet (sc): Insert your hook into the stitch, yarn over, pull up a loop, yarn over again, and pull through both loops.

Half double crochet (hdc): Yarn over, insert the hook, pull up a loop, yarn over, and pull through all three loops.

Double crochet (dc): Yarn over, insert the hook, pull up a loop, yarn over and pull through two loops, then yarn over and pull through the remaining two loops.

Treble crochet (tr): Yarn over twice, insert the hook, pull up a loop, then yarn over and pull through two loops three times.

Increase (inc): Work two stitches into the same stitch to make the fabric wider.

Decrease (sc2tog): Insert the hook into the next stitch and pull up a loop. Repeat in the following stitch, yarn over, and pull through all three loops.

For most flat pieces in this project, turn your work after each row. Unless stated otherwise, a turning chain does not count as a stitch.

Step 3: Crochet the Acorn Body (Bottom Section)

[How to Make a Pointed Crochet Solid Half Hexagon : 7 Steps \(with Pictures\) - Instructables](#)

The acorn body forms the foundation of the decoration. It is crocheted in beige yarn and shaped like a rounded triangle with a broad upper edge and a gently pointed bottom.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The original chart shows the body being worked from the narrow bottom point toward the wider top, using rows of single crochet and increases.

Starting the pointed bottom

Using beige yarn and your 4.0 mm crochet hook:

Row 1: Ch 2. Work 3 sc into the second chain from the hook. Ch 1 and turn. (3 sts)

Row 2: Work 2 sc into the first stitch, 1 sc into the next stitch, and 2 sc into the last stitch. Ch 1 and turn. (5 sts)

Row 3: Work 2 sc into the first stitch, sc across until the final stitch, and work 2 sc into the last stitch. Ch 1 and turn. (7 sts)

Rows 4–10: Repeat Row 3, increasing once at each edge on every row. At the end of Row 10, you will have 21 stitches.

These increases create the tapered lower section of the acorn.

Continue widening the body

Rows 11–15: Continue increasing at both ends of each row until the body becomes wider and develops the characteristic acorn shape.

You can adjust the number of increases to maintain a smooth outline. The objective is a symmetrical piece with a rounded, pointed bottom rather than a sharply triangular shape.

At this stage, lay your work on a flat surface and compare its outline with the body diagram.

Create the rounded upper section

Once the body reaches the desired width, continue working straight rows of single crochet without increasing.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Continue until the entire beige body measures approximately 19 cm high and 21 cm wide.

The top edge should be relatively straight because it will be covered by the brown acorn cap.

Finish the edges

Work one round of single crochet around the outside edge of the body.

Place additional stitches around the lower curves when needed to keep the border smooth. Avoid placing too many stitches into one location, as this may cause the edge to ripple.

At the bottom point, work 3 sc into the tip to maintain a neat, rounded finish.

Join with a slip stitch and fasten off, leaving a yarn tail for assembly.

Optional reinforcement

For a sturdier decoration, crochet a second matching body piece.

Place the two pieces together with their wrong sides facing inward. Join them with single crochet around the outside edge.

If desired, insert a thin piece of interfacing before closing the final section.

This optional variation gives the wall hanging additional structure without changing its appearance.

Step 4: Crochet the Textured Brown Acorn Cap

[How To Make A Perfect Double Crochet Semi Circle | AllFreeCrochetAfghanPatterns.com](#)

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The brown cap is one of the most recognizable features of this design. Its rounded shape and textured stitches create the appearance of a natural acorn shell.

The chart indicates using half double crochet (hdc) for the main cap, with a textured stitch pattern.

Create the foundation

Using brown yarn:

Row 1: Ch 31. Work 1 hdc into the third chain from the hook and 1 hdc into each remaining chain. Ch 2 and turn. (29 hdc)

Row 2: Work 1 hdc into each stitch across. Ch 2 and turn.

Row 3: Work 1 hdc into each stitch across, using a textured variation such as alternating front-loop and back-loop placement if desired. Ch 2 and turn.

Repeat the established stitch pattern until the piece is approximately 8 cm high.

The starting chain count is an adjustable construction example. Add or remove foundation chains as needed to reach the required 21 cm width.

Shape the curved sides

To create the rounded acorn-cap silhouette, gradually reduce stitches near both ends of the upper rows.

A simple shaping method is to work an hdc decrease at the beginning and end of selected rows.

Do not decrease too quickly. The cap should maintain a broad, slightly domed shape with gently curved ends.

Continue comparing your work with the reference diagram.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Add texture to the cap

The finished cap has a raised, seed-like appearance.

For a more pronounced texture, you may use a bobble-style stitch or alternate regular hdc rows with front-post stitches.

If you choose a bobble stitch, work several partially completed double crochets into one stitch, then close them together to create a raised cluster.

Keep the texture consistent across the cap.

Crochet the outer border

Once the cap reaches approximately 21 cm wide and 8 cm high, work a round of single crochet around the entire piece.

Use evenly spaced stitches along the curved edges.

For a slightly thicker lower rim, work an additional row of single crochet along the bottom edge.

Fasten off and weave in the yarn ends.

Step 5: Crochet the Acorn Stem

The stem is a small brown rectangular piece attached to the center of the cap.

Using the same brown yarn:

Row 1: Ch 6. Work 1 sc into the second chain from the hook and each remaining chain. Ch 1 and turn. (5 sc)

Rows 2–4: Work 1 sc into each stitch across. Ch 1 and turn, except after the final row.

Continue adding rows if necessary until the stem measures approximately 4 cm long.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

For a thicker stem, make a second matching rectangle and sew the two pieces together.

Position the stem vertically behind the top center of the cap, allowing most of its length to extend upward.

Sew the lower portion securely to the wrong side of the cap using a yarn needle.

The stem should stand upright without leaning to either side.

Step 6: Crochet the Three Autumn Oak Leaves

[Hilde haakt: Herfsthaaksels \(3\): eikenbladeren](#)

The three decorative leaves bring color and personality to the acorn wall hanging.

The reference design uses:

- One olive green oak leaf.
- One rust-orange oak leaf.
- One mustard-yellow oak leaf.

Each leaf follows the same basic construction and is worked with a central foundation chain and decorative stitches forming lobes along both sides.

Create the leaf foundation

Using olive green yarn:

Foundation: Ch 16.

First side: Beginning in the second chain from the hook, work 1 sc, 1 hdc, and 1 dc into successive chains.

Continue along the chain using combinations of hdc, dc, and tr stitches to build the curved leaf sections.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The longer stitches form the rounded lobes of the oak leaf, while shorter stitches create the indentations between them.

Shape the first side of the leaf

For a practical oak-leaf shaping sequence, work the following stitch groups into successive foundation-chain positions, using more than one stitch in selected chains to create the lobes:

Lobe 1: Sc, hdc, dc, hdc, sc.

Lobe 2: Sc, dc, tr, dc, sc.

Lobe 3: Sc, hdc, dc, hdc, sc.

Adjust stitch placement so the groups fit along the foundation chain. The sequences above describe the shape of each lobe rather than a fixed stitch-by-stitch row count.

Shape the opposite side

When you reach the end of the foundation chain, rotate your work.

Continue crocheting along the opposite side of the starting chain.

Repeat the lobe arrangement in reverse order to create a symmetrical leaf.

Use slip stitches in the indentations between lobes to make the shape more defined.

Finish with a slip stitch near the base of the leaf.

Add the central vein

Using matching yarn or a slightly lighter shade, embroider a line from the bottom of the leaf to the tip.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

A simple surface slip stitch or chain-stitch embroidery works well.

Add short diagonal lines extending from the central vein toward the outer lobes.

These details give the leaf a more realistic appearance.

Make the orange and yellow leaves

Repeat the same process twice:

Leaf 2: Use rust-orange yarn.

Leaf 3: Use mustard-yellow yarn.

Try to keep all three leaves approximately the same size, although small variations can make the arrangement look more natural.

Block the leaves

Lightly dampen the finished leaves and place them on a flat surface.

Shape the lobes with your fingers and pin them in place if necessary.

Allow them to dry completely before attaching them to the acorn body.

Blocking helps the leaves lie flat and makes the stitch details more visible.

Step 7: Crochet the Decorative Beige Bow 

[Ravelry: Winter Wonderland Hair Bow pattern by Maplefarms](#)

The beige bow adds a soft decorative touch to the front of the acorn.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The reference chart shows a rectangular strip approximately 15 cm long and 4 cm wide, gathered at the center to form a bow.

Crochet the main bow strip

Using beige yarn:

Row 1: Ch 31. Work 1 sc into the second chain from the hook and each remaining chain. Ch 1 and turn. (30 sc)

Rows 2–7: Work 1 sc into each stitch across. Ch 1 and turn, except after the final row.

Adjust the number of rows until the strip measures approximately 4 cm wide.

Fasten off and weave in the ends.

Shape the bow

Fold both ends of the strip toward the center, overlapping them slightly.

Pinch the middle section to create two rounded loops.

Secure the center with several stitches using a yarn needle.

Crochet the bow center

Ch 7 using beige yarn.

Work 1 sc into the second chain from the hook and across. Ch 1 and turn.

Repeat until the narrow strip is long enough to wrap around the gathered middle.

Wrap it around the center and sew the ends together on the back.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Create the hanging ribbon tails

The original design includes two narrow crochet tails hanging below the bow.

For each tail:

Row 1: Ch 6. Work 1 sc into the second chain from the hook and across. Ch 1 and turn. (5 sc)

Rows 2 onward: Work 1 sc into each stitch, turning after each row.

Continue until each tail is approximately 9–11 cm long, or long enough to suit your finished acorn.

Make two identical tails.

Assemble the bow

Place both ribbon tails behind the central bow loops.

Position them so they hang downward and slightly outward.

Sew everything together securely.

The completed bow should have two rounded loops, a wrapped center, and two long decorative tails.

Step 8: Crochet the Hanging Cord

The hanging cord allows you to display the finished acorn on a wall, door, or decorative hook.

The chart recommends a cord approximately 40 cm long.

Make the cord

Using brown yarn, create a foundation chain long enough to measure about 40 cm.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Work one slip stitch into each chain along the entire length for a simple reinforced cord.

For a thicker cord similar to the reference image, you can work a second row of single crochet or create a crocheted Romanian cord.

Attach the cord

Fold the cord into a gentle arch.

Position one end behind the upper left side of the brown cap and the other behind the upper right side.

Use a yarn needle to sew both ends securely.

Reinforce each attachment point with several stitches.

Before continuing, hold the acorn by the cord to make sure it hangs evenly.

If one side is lower than the other, adjust the cord attachment before securing the final stitches.

Step 9: Assemble the Crochet Acorn Wall Hanging

[Acorn and Leaf Garland Crochet Pattern - Etsy](#)

Now that all the individual crochet pieces are complete, it is time to assemble the decoration.

Attach the acorn cap

Place the brown cap over the upper portion of the beige body.

Center it carefully so the curved edges extend evenly on both sides.

The cap should overlap the beige section slightly, just as shown in the reference image.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Pin the cap in position.

Using brown yarn and a yarn needle, sew along the overlapping lower edge and side sections.

Keep your stitches small and hidden between the crochet loops.

Position the leaves

Arrange the three leaves on the front of the beige acorn body.

Place the olive green leaf on the left, angled slightly outward.

Position the rust-orange leaf in the center, pointing upward toward the cap.

Place the mustard-yellow leaf on the right, angled outward to balance the green leaf.

Allow the leaves to overlap slightly, creating a natural autumn arrangement.

Sew the leaves in place

Use matching yarn to attach each leaf.

Start by securing the center and lower stem area.

Add a few small stitches around the outer edges where needed.

Avoid sewing down every lobe tightly. Leaving portions of the edges slightly raised creates a more dimensional appearance.

Attach the decorative bow

Position the beige bow near the lower center of the leaf arrangement.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The bow should cover the point where the three leaf stems meet.

Allow the two ribbon tails to hang downward toward the bottom of the acorn.

Sew the center of the bow securely to the beige body.

Check the hanging cord

Make sure the cord is firmly attached behind the cap.

Lift the decoration and check that it hangs straight.

If necessary, reinforce the back of the cap with a few additional stitches.

Complete the finishing touches

Turn the wall hanging over and inspect the back.

Weave in all loose yarn ends with a yarn needle.

Trim any excess yarn carefully.

Lightly steam-block or damp-block the piece if needed, following the yarn manufacturer's care instructions.

Allow it to dry completely before hanging.

Step 10: Final Measurements and Quality Check

Once assembled, your Crochet Acorn Wall Hanging should have approximately the following dimensions:

Section	Target measurement
----------------	-------------------------------

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

**Total height
of acorn** **28 cm (11 in)**

**Maximum
width** **21 cm (8.3 in)**

**Brown cap
height** **8 cm**

**Beige body
height** **19 cm**

Stem height **4 cm**

Bow strip **15 × 4 cm**

Hanging cord **Approximately
40 cm**

Because the cap overlaps the body and the stem extends above it, the total height is not simply the sum of the individual measurements.

Check that the cap is centered, the body has a smooth rounded point, the three leaves are securely attached, and the bow is symmetrical.

The finished wall hanging should lie relatively flat against a door or wall without twisting.

Step 11: Helpful Crochet Tips for Beginners

Maintain even tension. Consistent tension is especially important when making the beige acorn body and brown cap. Uneven stitches can cause the pieces to curve or become asymmetrical.

Measure frequently. The reference design provides approximate dimensions rather than a complete fixed stitch count. Checking measurements throughout the project will help you achieve the intended proportions.

Use stitch markers. Place markers at the beginning and end of rows when shaping the acorn body. This makes it easier to keep increases balanced.

Practice the leaf shape first. If you are unfamiliar with crocheting around both sides of a foundation chain, make a small practice leaf before using your final yarn.

Pin before sewing. Arrange the leaves and bow with pins so you can adjust the design before attaching everything permanently.

Choose sturdy yarn. Cotton yarn is a good choice because it provides stitch definition and helps the decoration maintain its shape.

Frequently Asked Questions (FAQ)

Is this crochet acorn wall hanging suitable for beginners?

Yes. Most of the project uses basic stitches such as single crochet, half double crochet, and slip stitches. The oak leaves require a little more attention because they use taller stitches and decorative shaping, making this a beginner-to-intermediate project.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

What type of yarn works best?

Medium-weight cotton yarn is recommended. It produces a sturdy fabric with clearly defined stitches. Acrylic yarn can also work, although the finished piece may be softer.

Can I make the acorn larger?

Yes. You can use thicker yarn and a larger hook, or increase the number of stitches and rows in the body and cap. Keep the proportions consistent so the design maintains its acorn shape.

How do I keep the acorn from curling?

Maintain consistent stitch tension and avoid adding too many increases near the edges. Blocking can help flatten the finished pieces. For additional support, use a second crochet backing or lightweight interfacing.

Can I use different colors for the leaves?

Absolutely. Dark red, burgundy, burnt orange, golden yellow, and forest green all work beautifully for an autumn theme.

How do I make the leaves look more realistic?

Use a combination of single crochet, double crochet, and treble crochet to create different lobe heights. Add embroidered veins and gently shape the edges during blocking.

Can I wash the finished wall hanging?

If all materials are washable, gently hand-wash the decoration in cool water using a mild detergent. Reshape it and lay it flat to dry. Always check the yarn labels first.

Can I make this project without the bow?

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Yes. The bow is decorative and can be omitted. You can also replace it with a small crochet flower, wooden button, or another autumn-themed embellishment.

How long does this project take?

The time depends on your experience and crochet speed. Many crocheters may need approximately 6–10 hours, including crocheting, assembling, and finishing.

Conclusion 🍁

The Crochet Acorn Wall Hanging is a charming handmade decoration that combines simple crochet techniques with beautiful autumn colors and textured details.

By following this tutorial, you can create the beige acorn body, textured brown cap, decorative oak leaves, soft crochet bow, and sturdy hanging cord, then assemble everything into one seasonal wall decoration.

The design is also easy to personalize. Experiment with different yarn colors, adjust the leaf arrangement, or add extra embellishments to create a unique piece for your home.

Whether you display it on a wooden door, in your living room, or as part of your Thanksgiving decorations, this handmade crochet acorn brings a warm, welcoming touch to your fall decor. 🍂
