https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

MATERIALS

- Worsted weight yarn (100% acrylic or cotton)
  - Cream (pumpkin main body)
  - Orange (flowers and leaves)
  - Mustard yellow (flower centers)
  - Olive green (leaves)
  - Dark brown (edges and stem)
  - White (daisy flowers)
- 4.0 mm (G/6) crochet hook (or according to your yarn)
- Scissors
- Yarn needle
- Polyester fiberfill (stuffing)
- Optional: floral wire for tendrils

CROCHET STITCH KEY (US TERMS)

- ch (chain)
- sl st (slip stitch)
- sc (single crochet)
- hdc (half double crochet)
- dc (double crochet)
- tr (triple crochet)
- inc (increase) (2 sc in same stitch)
- dec (decrease) (sc 2 together)
- magic ring (adjustable ring)

1 PUMPKIN BODY (Make 1)

1. Make a magic ring. **Round 1:** ch 1, 8 sc in the ring. (8)
2. **Round 2:** inc in each stitch. (16) **Round 3:** (1 sc, inc) repeat 8 times. (24)
3. Continue increasing following a flat circle until you have 48 sc (about 9–10 cm wide).
4. Work in back loop only (sc in BLO) to create ribbed texture. Continue without increasing until the piece measures 18–20 cm

2 STUFF AND CLOSE

1. Stuff the pumpkin firmly with polyester fiberfill.
2. Close by weaving yarn through the front loops and pull tight. Fasten off and hide the yarn.

3 STEM (Make 1)

With dark brown yarn:
Rnd 1: 6 sc in a magic ring (6)
Rnd 2: sc around (6)
Rnd 3: (1 sc, inc) x 3 (9)
Rnd 4-10: sc around (9)
Fasten off. Leave a long tail for sewing. Slightly bend the stem.

4 LARGE LEAVES (Make 2)

1. Ch 11. **Row 1:** sc in 2nd ch from hook, hdc, dc, tr, dc, hdc, sc, sl st.
2. Repeat on the other side of the chain. Add a round of sc in olive green, then a round in brown.
3. Optional: make a central vein with brown yarn using surface slip stitches. Fasten off.

5 SMALL LEAVES (Make several)

1. Ch 7. **Row 1:** sc, hdc, dc, hdc, sc, sl st. Add a brown edge if desired.
2. You can make leaves in different sizes using 5, 7 or 9 chains.

6 FLOWERS (Make several)

1. **Center:** magic ring, ch 1, 6 sc, sl st. **Petals:** (ch 3, 2 dc, ch 3, sl st) repeat 5 times.
2. Center: magic ring, 8 sc. Petals: (ch 3, 2 dc, ch 3, sl st) repeat 8 times.
3. Optional: add a brown outline with sl st around the petals.

7 AUTUMN LEAVES (Make several)

Leaf shape (example):
Ch 12.
Row 1: sc, hdc, dc, tr, dc, hdc, sc.
Repeat on the other side.
Add picot tips or extra dc for the leaf points.
Outline with brown yarn.

8 BERRY SPRIGS (Make several)

Berry: make a small ball (4 sc in a magic ring, sl st). Make multiple berries and attach to a stem using green yarn or floral wire.

9 CURLY TENDRILS (Make 2+)

Ch 30–40, starting in the 2nd ch from hook: 3 sc in each ch to create a spiral. Gently shape the tendril and add floral wire inside if desired.

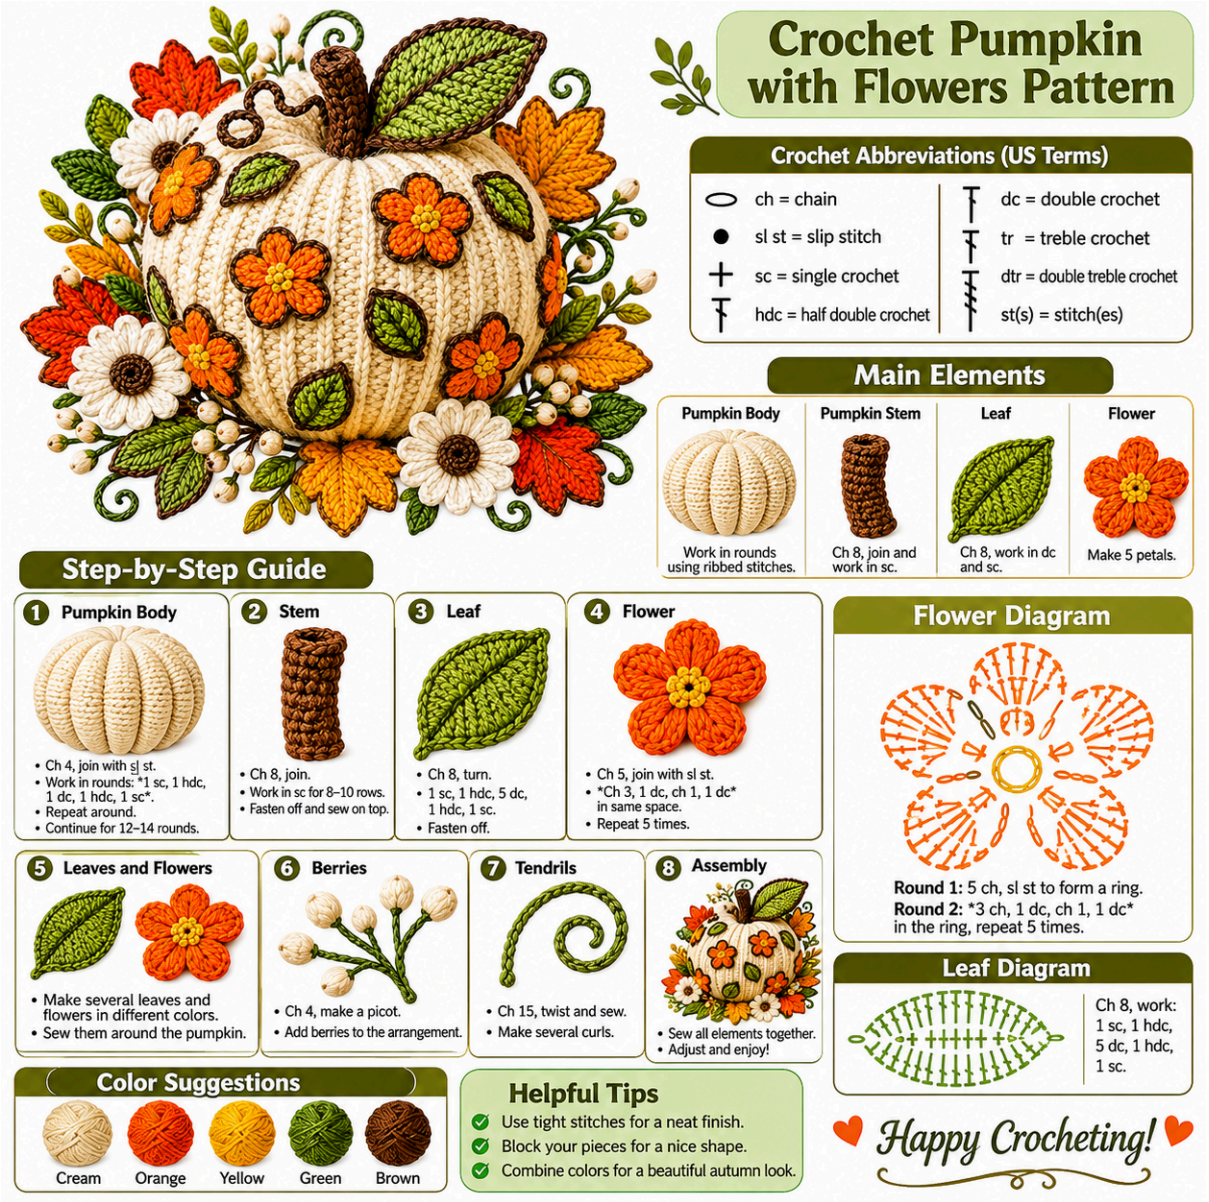
10 ASSEMBLY

Sew the stem to the top of the pumpkin. Arrange and sew the leaves, flowers, berries and tendrils around the pumpkin using a yarn needle. Vary the sizes and colors to match the photo.

11 FINISHED PUMPKIN

Your beautiful crochet pumpkin with flowers and leaves is ready!
Use it as a centerpiece, fall decoration or gift.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS



Crochet Autumn Pumpkin with Flowers and Leaves – Complete Step-by-Step Tutorial (US Crochet Terms) 🎃🍂

Create a beautiful crochet autumn pumpkin centerpiece decorated with colorful flowers, textured leaves, delicate berry branches, and curly tendrils. This detailed tutorial follows the provided crochet chart and explains how to make every

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

component, from the pumpkin body to the final decorative arrangement.

The finished project combines a soft, ribbed cream-colored pumpkin with orange flowers, white daisies, olive-green leaves, autumn foliage, and a dark brown stem. The combination creates a warm, rustic decoration that is perfect for fall tables, Thanksgiving centerpieces, seasonal displays, and handmade gifts.

This pattern uses US crochet terminology and includes stitch abbreviations, round-by-round instructions, assembly techniques, and finishing tips. Beginners familiar with basic crochet stitches can complete the project by working through each section carefully.

Pattern note: The reference infographic provides abbreviated instructions and does not specify every shaping round. Where necessary, the instructions below include practical construction details to make the project workable from beginning to end while preserving its original appearance.

Step 1: Gather Your Materials and Crochet Tools 🧶

Before beginning, organize all your yarn colors and tools. This project uses several small crocheted pieces that will be assembled into one decorative pumpkin.

Yarn colors

- **Cream: Main pumpkin body**
- **Orange: Flowers and autumn leaves**
- **Mustard yellow: Flower centers and decorative foliage**
- **Olive green: Large leaves, small leaves, and tendrils**
- **Dark brown: Pumpkin stem, leaf outlines, and flower details**
- **White: Daisy petals and decorative berries**

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Additional supplies

- **Worsted weight yarn (100% acrylic or cotton)**
- **4.0 mm (G/6) crochet hook, or a suitable hook for your yarn**
- **Polyester fiberfill stuffing**
- **Yarn needle for sewing and embroidery**
- **Sharp scissors**
- **Stitch markers**
- **Optional floral wire for supporting decorative branches**
- **Optional small pins for arranging flowers before sewing**

Suggested finished size: Approximately 18–20 cm wide for the pumpkin body, depending on yarn, gauge, and stuffing. Decorative foliage may extend beyond these dimensions.

For a firm decorative pumpkin, use a crochet hook that produces tight stitches. This helps prevent stuffing from showing through the fabric.

Step 2: Understand the Crochet Stitch Key (US Terms)

The original chart uses common American crochet abbreviations. Understanding them will make the instructions easier to follow.

Abbreviation	US crochet stitch
ch	Chain
sl st	Slip stitch

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

sc	**Single crochet**
hdc	**Half double crochet**
dc	**Double crochet**
tr	**Treble crochet**
inc	**Increase: 2 sc in the same stitch**
dec	**Decrease: 2 sc together**
BLO	**Back loop only**
st / sts	**Stitch / stitches**
Rnd	**Round**
rep	**Repeat**
MR	**Magic ring**

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

FO **Fasten off**

Basic stitch explanations

Chain (ch): Make a slip knot, yarn over, and pull the yarn through the loop on your hook.

Single crochet (sc): Insert the hook into the stitch, yarn over, pull up a loop, yarn over again, and pull through both loops.

Half double crochet (hdc): Yarn over, insert the hook, pull up a loop, yarn over, and pull through all three loops.

Double crochet (dc): Yarn over, insert the hook, pull up a loop, yarn over and pull through two loops, then yarn over and pull through the remaining two loops.

Treble crochet (tr): Yarn over twice, insert the hook, pull up a loop, then yarn over and pull through two loops three times.

Slip stitch (sl st): Insert the hook into the stitch, yarn over, and pull through the stitch and the loop already on the hook.

Magic ring: Wrap the yarn into an adjustable loop, work the required stitches into its center, and pull the yarn tail to close the ring.

Unless otherwise indicated, work the pumpkin body in continuous rounds. Use a stitch marker to identify the beginning of each round.

Step 3: Crochet the Main Pumpkin Body 🎃

YiJuHui 1pcs Crochet Pumpkin Faux Fall Pumpkins Decor Halloween Crochet Handmade for Farmhouse Thanksgiving Harvest Wedding Table Centerpiece Kitchen Decor - Walmart.com

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

The main pumpkin is the foundation of the entire project. Its rounded shape and vertical ribbing give the decoration a realistic pumpkin appearance.

Part A: Create the bottom circle

Use cream-colored yarn and a 4.0 mm crochet hook.

Round 1: Make a magic ring. Ch 1, work 8 sc into the ring. Pull the yarn tail to close the center. (8 sts)

Round 2: Work 2 sc in every stitch around. (16 sts)

Round 3: Repeat (1 sc, inc) 8 times. (24 sts)

Continue increasing evenly to create a flat circular base.

Round 4: Repeat (2 sc, inc) 8 times. (32 sts)

Round 5: Repeat (3 sc, inc) 8 times. (40 sts)

Round 6: Repeat (4 sc, inc) 8 times. (48 sts)

At this point, the bottom circle should be relatively flat. Depending on your yarn and tension, it may measure approximately 9–10 cm across.

If your circle begins to curl, check that you have completed all the increases.

Part B: Create the ribbed pumpkin sides

The original chart shows a textured, vertically ribbed pumpkin body.

To create a similar appearance while keeping the stitch count consistent, use a combination of back-loop stitches and front-post texture.

Round 7: Work 1 sc in BLO in each stitch around. (48 sts)

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

This round creates a defined turning edge between the base and the sides.

Round 8: Work 1 dc in each stitch around. (48 sts)

Round 9: Repeat (1 front post double crochet around the next dc, 1 dc in the next stitch) around. (48 sts)

Rounds 10–20: Repeat Round 9, working each front post double crochet around the raised post directly below it.

The raised stitches form vertical lines that resemble pumpkin ribs.

For a simpler alternative, continue working sc in BLO in continuous rounds. This creates a softer ridged texture, although the ridges will spiral rather than run perfectly vertically.

Continue until the pumpkin body measures approximately 18–20 cm in height, or until it reaches your preferred proportions.

Important: The reference illustration shows a rounded, squat pumpkin. For that shape, it may be necessary to use fewer side rounds or add shaping before closing. Adjust the height before stuffing rather than relying on the round count alone.

Step 4: Stuff, Shape, and Close the Pumpkin

Once the body is complete, it is time to transform the crocheted shell into a soft pumpkin.

Part A: Add the stuffing

Place small handfuls of polyester fiberfill inside the pumpkin.

Distribute the stuffing evenly around the sides and toward the bottom.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Avoid putting too much stuffing in one place, as this may distort the ribbed texture.

The pumpkin should feel firm enough to hold its shape but still soft enough to create natural indentations.

Part B: Close the top opening

Cut the yarn, leaving a long tail of approximately 50–60 cm.

Thread the tail through a yarn needle.

Weave the needle through the front loops of the stitches around the top opening.

Pull the yarn gradually to gather the opening.

If the opening is too large to close neatly, first work decrease rounds:

- **Decrease Round 1: Repeat (4 sc, dec) around. (40 sts)**
- **Decrease Round 2: Repeat (3 sc, dec) around. (32 sts)**
- **Decrease Round 3: Repeat (2 sc, dec) around. (24 sts)**
- **Decrease Round 4: Repeat (1 sc, dec) around. (16 sts)**

Add any remaining stuffing before the opening becomes too small.

Pull the yarn through the remaining stitches and secure it tightly.

Part C: Define the pumpkin sections

For a more realistic pumpkin, use a long strand of cream yarn and a yarn needle.

Insert the needle through the center of the pumpkin, traveling from the top to the bottom.

Bring the yarn around the outside and return to the top.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Pull gently to form an indentation.

Repeat this process at evenly spaced intervals to create approximately 6–8 pumpkin sections.

Secure the yarn at the top, where the stem will eventually hide the knot.

Step 5: Crochet the Dark Brown Pumpkin Stem 🌿

The chart features a slightly curved, textured brown stem.

Use dark brown yarn.

Round 1: Make a magic ring and work 6 sc into the ring. (6 sts)

Round 2: Work 1 sc in each stitch around. (6 sts)

Round 3: Repeat (1 sc, inc) 3 times. (9 sts)

Rounds 4–10: Work 1 sc in each stitch around. (9 sts)

For a slightly longer stem, continue for another 2–3 rounds.

Fasten off, leaving a long yarn tail for sewing.

The stem should resemble a narrow crocheted tube.

To create a curved appearance, gently bend the stem while sewing it into position. A small amount of fiberfill may be inserted if additional firmness is desired.

Sew the stem securely to the center of the pumpkin top.

For a decorative finish, add a few dark brown embroidery stitches around its base.

Step 6: Crochet the Large Olive-Green Leaves (Make 2) 🍃

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Ravelry: Leaf pattern by CreativityClaudia

The large leaves are among the most noticeable decorations in the reference design. They are elongated, pointed, and finished with dark brown outlines.

Use olive-green yarn.

Part A: Make the leaf foundation

Foundation: Ch 11.

Row 1: Starting in the second chain from the hook, work:

1 sc, 1 hdc, 1 dc, 1 tr, 1 dc, 1 hdc, 1 sc, 1 sl st.

There are two remaining foundation chains. Work 1 sc in each to round the tip.

Continue along the opposite side of the foundation chain, mirroring the stitch heights:

1 sl st, 1 sc, 1 hdc, 1 dc, 1 tr, 1 dc, 1 hdc, 1 sc.

Join with a sl st.

This creates an elongated leaf with a pointed shape and wider center.

Part B: Add definition

For a fuller leaf, work another round of sc around the outside.

Place 2–3 sc into the pointed end if needed to prevent curling.

Fasten off the olive-green yarn.

Part C: Crochet the brown outline

Attach dark brown yarn at the base of the leaf.

Work 1 sc around the entire outer edge.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

At the tip, work 2 sc into the same stitch if necessary to maintain the pointed shape.

Join with a sl st and fasten off.

Part D: Add the central vein

Thread a yarn needle with dark brown yarn.

Embroider a straight line from the base to the tip of the leaf.

Add small diagonal stitches branching from the center toward the sides.

Make two large leaves.

These will be placed near the top of the pumpkin, close to the stem.

Step 7: Crochet the Small Decorative Leaves (Make Several)

Small leaves fill the spaces between flowers and help create a lush autumn arrangement.

Use olive-green yarn.

Foundation: Ch 7.

Row 1: Starting in the second chain from the hook, work:

1 sc, 1 hdc, 1 dc, 1 hdc, 1 sc, 1 sl st.

Turn the work and crochet along the opposite side of the chain.

Work 1 sl st, 1 sc, 1 hdc, 1 dc, 1 hdc, 1 sc.

Join with a sl st.

Fasten off.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

You may add a brown sc border for additional contrast.

Suggested variations

- **Ch 5 for very small leaves.**
- **Ch 7 for medium leaves.**
- **Ch 9 for slightly larger leaves.**

Make approximately 8–12 leaves in different sizes.

Mixing the sizes helps the arrangement look natural.

Step 8: Crochet the Orange Autumn Flowers 🌼

The reference pumpkin features small orange flowers with dark outlines and mustard-yellow centers.

Make several flowers in different sizes.

Part A: Crochet the flower center

Use mustard-yellow yarn.

Make a magic ring.

Ch 1, work 6 sc into the ring.

Join with a sl st and pull the ring closed.

Fasten off.

Part B: Create the petals

Attach orange yarn to one of the center stitches.

For each petal, work:

(Ch 3, 2 dc, ch 3, sl st) into the same stitch.

Repeat this sequence in five of the six center stitches to create five petals.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Join with a sl st.

Fasten off and weave in the yarn ends.

Part C: Add a brown outline

Attach dark brown yarn at the edge of a petal.

Work slip stitches carefully around the outer edges of the petals.

Avoid pulling too tightly, as this can cause the flower to curl.

Fasten off.

Part D: Add dimensional details

Use mustard-yellow yarn to embroider several small knots in the center.

These knots imitate the raised yellow dots shown in the chart.

Make approximately 5–7 orange flowers.

Use slightly different yarn tensions or hook sizes to create variation.

Step 9: Crochet the White Daisy Flowers 🌼

The white daisies provide contrast against the warm orange and green decorations.

Use white yarn for the petals and dark brown yarn for the centers.

Part A: Make the center

With dark brown yarn, make a magic ring.

Work 8 sc into the ring.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Join with a sl st.

Fasten off.

Part B: Make the petals

Attach white yarn to any center stitch.

For each petal, work:

(Ch 3, 2 dc, ch 3, sl st) into the same stitch.

Repeat in all eight center stitches.

This creates eight rounded white petals.

Part C: Finish the daisy

Adjust the petals gently with your fingers.

Weave in the yarn ends on the back.

If desired, add another round of sc to the dark brown center for a larger flower.

Make approximately 2–3 daisies.

Place the daisies toward the lower front of the pumpkin to balance the orange flowers.

Step 10: Crochet Optional Green Flowers

The infographic also includes a small green flower with a dark brown outline.

This flower adds an additional decorative element to the autumn arrangement.

Use olive-green yarn.

Round 1: Make a magic ring and work 6 sc into the ring.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Round 2: Work (ch 2, 2 dc, ch 2, sl st) into each of five center stitches.

Fasten off.

Attach dark brown yarn and work slip stitches around the petals.

You can use these green flowers between the orange blossoms or near the larger leaves.

Make 1–3 green flowers if desired.

Step 11: Crochet the Autumn Maple-Style Leaves 🍁

Ravelry: Maple Leaf pattern by Maria Molodova

The decorative autumn leaves add movement and seasonal color to the pumpkin.

Use orange, mustard yellow, or olive-green yarn.

The reference chart provides a simplified leaf construction. The following method adds pointed sections to achieve a maple-inspired silhouette.

Part A: Create the foundation

Ch 12.

Starting in the second chain from the hook, work:

1 sc, 1 hdc, 1 dc, 1 tr, 1 dc, 1 hdc, 1 sc.

Work 1 sc in each remaining chain.

Turn and work along the opposite side of the foundation chain.

Mirror the stitch sequence to create the other side of the leaf.

Part B: Add pointed leaf sections

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Work a second round around the leaf.

At selected points along the outer edge, create a pointed section by working:

Ch 3, sl st into the second chain from the hook, sc into the next chain, then sl st into the next available edge stitch.

Repeat at several positions around the leaf to create pointed lobes.

For a fuller maple-inspired shape, make the center point longer than the side points.

Part C: Add an outline

Attach dark brown yarn.

Work sc or sl st around the outside edge.

Maintain the pointed shape by working carefully around each lobe.

Part D: Embroider the veins

Using dark brown yarn, embroider a central vein.

Add smaller branching lines toward each point.

Fasten off and weave in the ends.

Make approximately 4–6 autumn leaves.

Use different colors to imitate the natural shades of fall foliage.

Step 12: Crochet the Decorative Berry Sprigs

Small white berries on green stems help fill empty spaces around the flowers and leaves.

Part A: Crochet individual berries

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Use white or cream yarn.

Round 1: Make a magic ring and work 4 sc into the ring. (4 sts)

Round 2: Work 1 sc in each stitch around. (4 sts)

Fasten off, leaving a long tail.

Insert a tiny amount of fiberfill if necessary.

Use the yarn tail to close the opening.

Each berry should resemble a small rounded bud.

Part B: Create the stems

Use olive-green yarn.

Ch 15–20 to create a narrow stem.

Work sl st back along the chain to strengthen it.

Fasten off.

Part C: Assemble the berry sprigs

Make approximately 4–6 berries for each decorative branch.

Sew the berries onto the green stem at different points.

For a more natural arrangement, create small side branches using additional chains.

Optional floral wire can be used inside the stems for decorative shaping. Keep wire ends covered and use the finished project as a display item rather than a toy.

Make approximately 3–4 berry sprigs.

Step 13: Crochet the Curly Pumpkin Tendrils

Curly tendrils add a playful, realistic detail to the pumpkin.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Use olive-green yarn.

Foundation: Ch 30–40.

Row 1: Starting in the second chain from the hook, work 3 sc into each chain across.

The stitches will naturally twist into a spiral.

Fasten off, leaving a long tail for sewing.

Gently stretch and shape the spiral with your fingers.

For a tighter curl, work 4 sc into each chain.

For a looser curl, use 2 sc into each chain.

Make at least two tendrils.

Attach one near the pumpkin stem and position another among the decorative foliage.

Step 14: Arrange and Assemble the Pumpkin Decorations 🪡

CROCHET PATTERN X Crochet Pumpkins Centerpiece Pattern, English PDF Download, Crochet Fall Decoration Pattern, - Etsy

This is the most creative part of the project.

The goal is to recreate the balanced, abundant autumn arrangement shown in the reference infographic.

Part A: Attach the large leaves

Position the two large olive-green leaves near the top of the pumpkin.

Place one on each side of the stem or angle them slightly toward the back.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Use a yarn needle and matching yarn to sew the bases securely.

Leave the pointed ends slightly raised for a dimensional effect.

Part B: Arrange the orange flowers

Position the orange flowers across the front and sides of the pumpkin.

Place one prominent flower near the center front.

Arrange smaller flowers at different heights.

Sew through the back of each flower and into the pumpkin fabric.

Avoid pulling the stitches so tightly that the flowers become flattened.

Part C: Attach the white daisies

Position the white daisies near the lower left and right sides.

These flowers provide visual contrast and soften the orange color palette.

Secure each daisy at its center.

Part D: Add the autumn leaves

Arrange the orange, yellow, and green autumn leaves around the sides and bottom of the pumpkin.

Allow some leaves to extend beyond the pumpkin's outline.

This creates the layered foliage effect visible in the chart.

Sew the base of each leaf in place while leaving its pointed ends free.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Part E: Fill empty spaces

Add small olive-green leaves between the flowers.

Insert berry sprigs into spaces that need additional detail.

Arrange the curly tendrils around the stem and sides.

Vary the direction of the leaves and branches to create a natural appearance.

Part F: Secure the decorations

Once you are satisfied with the arrangement, check every attached piece.

Reinforce loose flowers or leaves with additional sewing stitches.

Hide all yarn tails inside the pumpkin or behind the decorative pieces.

The completed arrangement should look full, balanced, and colorful from the front.

Step 15: Shape and Finish the Crochet Pumpkin

After assembling the decorations, inspect the entire pumpkin.

Gently adjust the stuffing and ribbed sections with your hands.

Make sure the bottom is flat enough for the pumpkin to stand securely on a table.

If the base is uneven, massage the stuffing toward the sides and press the bottom gently against a flat surface.

Straighten the large leaves and position the flowers so their centers remain visible.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Adjust the curly tendrils to frame the pumpkin naturally.

Trim any loose yarn ends.

For a neater finish, lightly steam-block individual leaves and flowers before attaching them, if your yarn fiber allows it. Avoid direct heat on acrylic yarn.

Your crochet autumn pumpkin with flowers and leaves is now complete!

Step 16: Recommended Color Combinations and Decorative Variations

Although the original design uses traditional autumn colors, you can personalize the pumpkin with other combinations.

Pumpkin style	Main body	Flowers	Leaves
Classic Autumn	Cream	Orange and white	Olive green
Rustic Harvest	Beige	Mustard and rust	Dark green
Elegant Fall	Ivory	Burgundy and gold	Sage green
Soft Cottage	Pale peach	Cream and pink	Light green

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Thanksgiving	Warm cream	Burnt orange and yellow	Olive and brown

For a design closest to the reference image, use a cream pumpkin body, dark brown stem, bright orange flowers, white daisies, and green leaves with brown outlines.

Step 17: Troubleshooting Common Crochet Problems

My pumpkin is too tall. What should I do?

Reduce the number of straight side rounds. A shorter body will create a wider, rounder pumpkin appearance.

My pumpkin looks flat instead of rounded.

Add more fiberfill, especially around the sides. You can also tighten the yarn used to form the pumpkin sections.

The ribbed texture is not visible.

Make sure the raised stitches line up vertically. If using front post double crochet, work around the correct posts from the previous round.

My leaves curl too much.

Check your stitch tension. Work additional stitches at the widest points or use a slightly larger hook.

My flowers do not stay in position.

Secure each flower with several sewing stitches through the center and back. Use pins to plan the arrangement before sewing.

My tendrils are not curling.

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Try working 3 or 4 sc into each foundation chain instead of 2. The additional stitches create the spiral.

My stuffing is visible through the stitches.

Use a smaller crochet hook or tighter tension. For future pumpkins, test your fabric before stuffing.

Step 18: Frequently Asked Questions (FAQ)

Is this crochet autumn pumpkin pattern suitable for beginners?

Yes, it is suitable for adventurous beginners who already know how to make chains, single crochet, double crochet, and magic rings. The flowers and leaves introduce a few additional techniques, but they can be practiced individually.

How much yarn do I need?

The amount depends on the final size and your gauge. A reasonable starting estimate is 100–150 g of cream yarn for the body and smaller quantities of each decorative color. You may need more yarn for a larger or densely decorated pumpkin.

Can I use cotton yarn instead of acrylic?

Yes. Cotton yarn provides crisp stitch definition and works especially well for leaves and flowers. Acrylic yarn is lightweight, soft, and often easier to shape into a stuffed pumpkin.

What crochet hook should I use?

The reference chart recommends a 4.0 mm (G/6) hook. You can adjust the hook size to match your yarn and preferred tension.

Can I make the pumpkin larger?

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

Yes. Increase the number of rounds in the base, continue the sides for additional rounds, and add more stuffing. Increase the size of the flowers and leaves proportionally.

How many flowers should I crochet?

For an arrangement similar to the reference, start with 5–7 orange flowers, 2–3 white daisies, and 1–3 optional green flowers.

Can I wash the finished pumpkin?

Check the care instructions for your yarn. If the pumpkin contains floral wire or delicate decorations, spot cleaning is usually preferable. Avoid soaking a heavily stuffed pumpkin unless you can dry it thoroughly.

Can I use this pattern for Christmas decorations?

Yes. Replace the orange and mustard colors with red, forest green, white, and gold for a festive holiday-inspired arrangement.

Can I make the pumpkin without flowers?

Absolutely. The ribbed pumpkin and brown stem form a complete decoration on their own. You can add only a few leaves and tendrils for a simpler rustic look.

Conclusion: Enjoy Your Handmade Crochet Autumn Pumpkin 🍂

This Crochet Autumn Pumpkin with Flowers and Leaves Pattern combines traditional crochet stitches with colorful decorative elements to create a unique seasonal centerpiece.

By following the tutorial step by step, you can make the ribbed pumpkin body, crochet the brown stem, create colorful

https://creative.craftsforlove.com/ - SEE THE BEST PATTERNS

flowers, shape autumn leaves, add berry sprigs, and finish the arrangement with curly tendrils.

The design is also highly customizable. You can change the colors, adjust the pumpkin size, add more flowers, or simplify the foliage to suit your decorating style.

Whether you display it on a dining table, mantel, entryway shelf, or Thanksgiving centerpiece, your finished crochet pumpkin will bring handmade warmth and autumn charm to your home.

Happy crocheting! 🧶🎃🍁
