

Crochet Teddy Bear Christmas Pattern

Finished Size

20 cm
(7.9 in)

14 cm
(5.5 in)

Materials

- Light brown yarn (amigurumi weight)
- Red yarn
- White yarn
- Black yarn (for embroidery)

- Crochet hook 2.5–3.0 mm
- Safety eyes 10–12 mm
- Safety nose 12 mm
- Fiberfill stuffing
- Yarn needle
- Scissors

Main Stitches Used (US Terms)

C Chain (ch)
Loop to start and make chains.

Slip Stitch (sl st)
Join and finish rounds.

Single Crochet (sc)
Main stitch for the project.

Increase (inc)
2 sc in the same stitch.

Decrease (dec)
Sc 2 together.

Half Double Crochet (hdc)
Used for details (optional).

Magic Ring (MR)
Start pieces in the round.

1 Head (light brown)

2 Muzzle (white)

3 Ears (make 2, light brown)

4 Body (light brown)

5 Arms (make 2)

6 Legs (make 2)

7 Sweater (red)

8 Santa Hat (red and white)

R1: 6 sc in MR (6)
R2: inc x 6 (12)
R3: (1 sc, inc) x 6 (18)
R4: (2 sc, inc) x 6 (24)
R5: (3 sc, inc) x 6 (30)
R6–R11: 30 sc (6 rounds)
R12: (3 sc, dec) x 6 (24)
R13: (2 sc, dec) x 6 (18)
R14: (1 sc, dec) x 6 (12)
R15: dec x 6 (6) Fasten off and stuff.

Attach safety eyes between R9–R10 (6–7 stitches apart).
Sew the muzzle and nose.
Embroider the mouth and eyebrows with black yarn.

R1: 6 sc in MR (6)
R2: inc x 6 (12)
R3: (1 sc, inc) x 6 (18)
R4: 18 sc
Fasten off. Stuff lightly.
Sew below the eyes and attach a safety nose.
Embroider the mouth with black yarn.

R1: 6 sc in MR (6)
R2: inc x 6 (12)
R3: (1 sc, inc) x 6 (18)
R4: 18 sc
Fasten off, do not stuff.
Flatten and sew to the sides of the head between R6–R9.

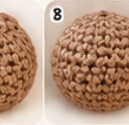

R1: 6 sc in MR (6)
R2: inc x 6 (12)
R3: (1 sc, inc) x 6 (18)
R4: (2 sc, inc) x 6 (24)
R5–R12: 24 sc (8 rounds)
R13: (2 sc, dec) x 6 (18)
R14: (1 sc, dec) x 6 (12)
R15: dec x 6 (6) Fasten off and stuff firmly.

R1: 6 sc in MR (6)
R2: inc x 6 (12)
R3–R6: 12 sc (4 rounds)
R7–R8: 12 sc (red yarn for sleeve)
R8: (1 sc, dec) x 6 (12)
R9: 12 sc (white yarn cuff)
Fasten off. Stuff lightly.

R1: 6 sc in MR (6)
R2: inc x 6 (12)
R3: (1 sc, inc) x 6 (18)
R4–R7: 18 sc (4 rounds)
R8: (1 sc, dec) x 6 (12)
R9–R12: 12 sc (4 rounds)
Fasten off and stuff firmly.

Ch 26 (adjust to fit around body).
R1–R8: 26 sc (turning chains: ch 1).
Join to form a tube or sew the back seam.
Add a white trim: R9: sc around with white yarn.
Make sleeves: attach yarn to armholes and work 4–5 rounds of sc, finishing with a white trim.

R1: 6 sc in MR (6)
R2: inc x 6 (12)
R3: (1 sc, inc) x 6 (18)
R4: (2 sc, inc) x 6 (24)
R5–R10: 24 sc (6 rounds)
R11: (2 sc, dec) x 6 (18)
R12: (1 sc, dec) x 6 (12)
R13: dec x 6 (6) Fasten off.
Brim: R1: sc around with white yarn.
Pom-pom: make a small white ball (R1–R3: inc), stuff and sew to the tip.

9 Assembly

Sew the ears firmly to the head.

Sew the arms to the sides of the body.

Sew the legs to the bottom of the body.

Sew the hat to the head, slightly to one side.

Put the sweater on the body and adjust the sleeves.

Attach the muzzle, nose, eyes and embroider details.

Final Look

Front View Side View Back View

Tips for a perfect result

- ✓ Use a tight stitch to avoid gaps.
- ✓ Stuff the pieces firmly but not too hard.
- ✓ Keep your tension consistent.
- ✓ Use a stitch marker to mark the beginning of each round.
- ✓ You can adjust the size using thicker or thinner yarn and hook.
- ✓ This pattern is perfect for Christmas gifts and decorations!

Finished Height 18 cm

MATERIALS

- Light brown yarn (body)
- Red yarn (sweater and hat)
- White yarn (trimmings and muzzle)
- Black yarn (eyebrows and mouth)
- Crochet hook 2.5–3.0 mm
- Safety eyes 10–12 mm
- Safety nose 12 mm
- Fiberfill stuffing
- Yarn needle
- Scissors

CROCHET STITCHES (US TERMS)

- ch = chain
- sc = single crochet
- inc = increase (2 sc in the same stitch)
- dec = decrease (sc 2 together)

Crochet Teddy Bear Christmas Pattern – Complete Step-by-Step Tutorial (US Crochet Terms) 🧸 🎄

Create an adorable Christmas Crochet Teddy Bear wearing a festive red sweater and a Santa hat! This charming handmade teddy bear is perfect for Christmas decorations, holiday gifts, nursery displays, and seasonal craft collections.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

This detailed amigurumi crochet tutorial follows the reference pattern, explaining how to crochet the head, muzzle, ears, body, arms, legs, Christmas sweater, and Santa hat. Every major step includes stitch counts, assembly instructions, and finishing techniques to help beginners and experienced crocheters complete the project.

The finished teddy bear measures approximately 20 cm (7.9 inches) tall and 14 cm (5.5 inches) wide, depending on yarn thickness, crochet tension, and stuffing.

Step 1: Gather Your Materials and Crochet Supplies

Before beginning your Christmas teddy bear, prepare all the materials. Using consistent yarn weights will help the individual pieces fit together properly.

Materials needed:

- Light brown yarn – for the head, body, ears, arms, and legs.
- Red yarn – for the Christmas sweater and Santa hat.
- White yarn – for the muzzle, sweater trim, hat brim, and pom-pom.
- Black yarn – for embroidered eyebrows and mouth details.
- Crochet hook – 2.5–3.0 mm.
- Two black safety eyes – approximately 10–12 mm.
- One black safety nose – approximately 12 mm.
- Polyester fiberfill stuffing.
- Yarn needle for sewing the pieces together.
- Stitch markers to identify the beginning of each round.
- Scissors.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Choose an amigurumi-weight yarn suitable for your hook. Cotton yarn produces well-defined stitches, while acrylic yarn creates a soft and lightweight finish.

Important: Safety eyes and noses can detach and are not suitable for toys intended for children under three. For a baby-safe version, embroider the eyes and nose securely instead.

Step 2: Understand the Basic Crochet Stitches (US Terms)

This pattern uses standard American crochet terminology. Familiarizing yourself with the following stitches will make the project easier to follow.

Abbrevia tion	US crochet term	Description
MR	Magic Ring	Adjustable loop used to begin circular pieces
ch	Chain	Creates starting chains
sc	Single Crochet	Main stitch used throughout the bear
sl st	Slip Stitch	Joins rounds and finishes edges

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

inc	Increase	Work 2 sc into the same stitch
dec	Decrease	Crochet 2 stitches together
hdc	Half Double Crochet	Optional decorative stitch
st(s)	Stitch(es)	Individual crochet stitches
R	Round or Row	Indicates the working sequence

How to make a magic ring: Wrap the yarn around your fingers to create a loop. Insert your hook into the loop, pull up a strand of yarn, and make a chain to secure it. Work the required number of single crochet stitches into the loop, then pull the yarn tail to close the center.

How to increase: Work two single crochet stitches into one stitch. This expands the circumference of the crocheted piece.

How to decrease: Insert your hook through the front loops of the next two stitches, yarn over, and complete a single crochet. This invisible decrease creates a smoother amigurumi surface.

Unless otherwise stated, work amigurumi pieces in continuous spiral rounds. Use a stitch marker to track the beginning of each round.

Step 3: Crochet the Teddy Bear Head (Light Brown Yarn) 

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The head is the largest rounded section of the bear. Its shape provides the foundation for the facial features, ears, and Santa hat.

Begin with light brown yarn and a 2.5–3.0 mm crochet hook.

Head pattern:

- R1: 6 sc in MR (6).
- R2: inc × 6 (12).
- R3: (1 sc, inc) × 6 (18).
- R4: (2 sc, inc) × 6 (24).
- R5: (3 sc, inc) × 6 (30).
- R6–R11: 30 sc around (30 stitches for 6 rounds).
- R12: (3 sc, dec) × 6 (24).
- R13: (2 sc, dec) × 6 (18).
- R14: (1 sc, dec) × 6 (12).
- R15: dec × 6 (6).

After completing R11, pause before decreasing the head.

Insert the safety eyes between approximately R9 and R10, spacing them about 6–7 stitches apart. Check that the eyes are symmetrical and face forward.

The reference places the muzzle in the lower center of the face, beneath the eyes. You can temporarily pin the muzzle in position to check the proportions before permanently attaching it.

Continue with the decrease rounds while gradually adding polyester fiberfill. Stuff the head evenly, paying particular attention to the cheeks and forehead.

After R15, fasten off, leaving a long yarn tail. Thread the tail through the front loops of the remaining six stitches and pull gently to close the opening.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Use your fingers to shape the head into a rounded teddy bear face.

Step 4: Crochet the White Muzzle and Embroider the Face

The white muzzle gives the teddy bear its sweet, recognizable expression. It is a small, circular piece that sits on the front of the head.

Use white yarn.

Muzzle pattern:

- R1: 6 sc in MR (6).
- R2: inc × 6 (12).
- R3: (1 sc, inc) × 6 (18).
- R4: 18 sc around (18).

Fasten off, leaving a long tail for sewing.

Place a small amount of fiberfill behind the muzzle to give it a slightly raised appearance. Avoid overstuffing, since the muzzle should sit naturally against the face.

Position the muzzle centrally below the eyes. Sew around its outer edge with a yarn needle and white yarn.

Add the nose and mouth:

Position the black safety nose near the upper center of the muzzle and secure it before the muzzle is completely sewn closed.

With black embroidery yarn, create a short vertical line extending downward from the nose.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Add a subtle mouth detail at the bottom of the line. The reference bear has a simple vertical mouth design, so keep the embroidery minimal.

Finally, embroider two small curved eyebrows above the eyes using black yarn.

Make sure the facial details are evenly positioned and that all yarn ends are secured inside the head.

Step 5: Crochet the Teddy Bear Ears (Make 2)

The ears are small, rounded pieces worked in light brown yarn.

Ear pattern:

- R1: 6 sc in MR (6).
- R2: inc × 6 (12).
- R3: (1 sc, inc) × 6 (18).
- R4: 18 sc around (18).

Fasten off, leaving a long tail for sewing.

Do not stuff the ears. Instead, gently flatten each circle into a soft semicircular shape.

Fold the bottom slightly inward to give the ears a natural curve.

Position the ears on opposite sides of the head, approximately between R6 and R9, as shown in the reference.

Use sewing pins or stitch markers to check the placement before attaching them.

Sew the lower edge of each ear firmly to the head using the yarn tails.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The ears should extend slightly outward and remain visible underneath the Santa hat.

Step 6: Crochet the Teddy Bear Body (Light Brown Yarn)

The teddy bear body has a rounded belly and a narrower upper section. This shape creates a seated amigurumi appearance.

Use light brown yarn.

Body pattern:

- R1: 6 sc in MR (6).
- R2: inc × 6 (12).
- R3: (1 sc, inc) × 6 (18).
- R4: (2 sc, inc) × 6 (24).
- R5–R12: 24 sc around (24 stitches for 8 rounds).
- R13: (2 sc, dec) × 6 (18).
- R14: (1 sc, dec) × 6 (12).
- R15: dec × 6 (6).

The reference uses this sequence for the body. However, to obtain the rounded belly shown in the finished teddy bear, shape the stuffing carefully and avoid pulling the upper stitches too tightly.

As you crochet, maintain even tension and keep the stitch marker aligned with the beginning of each round.

After R12, begin stuffing the body with polyester fiberfill. Fill the lower portion more generously to create a rounded belly.

Continue adding smaller amounts of stuffing as you complete the decrease rounds.

Fasten off after R15 and close the remaining opening with a yarn needle.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Gently massage the body to distribute the fiberfill and create a smooth, rounded shape.

Helpful adjustment: For a more pear-shaped body resembling the photograph, you may use additional increase rounds and then taper the upper section. This is optional; the instructions above follow the stitch counts printed in the reference.

Step 7: Crochet the Teddy Bear Arms (Make 2)

Each arm consists of a light brown paw with a red sweater sleeve and a white cuff.

Begin with light brown yarn.

Arm pattern:

- R1: 6 sc in MR (6).
- R2: inc × 6 (12).
- R3–R6: 12 sc around (12 stitches for 4 rounds).
- R7–R8: Change to red yarn and work 12 sc around (12).
- R9: Change to white yarn and work 12 sc around (12).

Fasten off, leaving a long tail for assembly.

Lightly stuff the brown paw portion. Add only a small amount of stuffing to the sleeve so the arm remains flexible.

The reference shows the white trim near the wrist. To recreate this look, add a decorative white border at the transition between the brown paw and red sleeve.

You can attach white yarn around that transition and work one round of single crochet or slip stitches on the surface.

Repeat the entire process to make the second arm.

Check that both arms are approximately the same length and that the white trim is positioned consistently.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Step 8: Crochet the Teddy Bear Legs (Make 2)

The teddy bear's feet are rounded and slightly oversized, giving the finished amigurumi a charming seated appearance.

Use light brown yarn.

Leg pattern:

- R1: 6 sc in MR (6).
- R2: inc × 6 (12).
- R3: (1 sc, inc) × 6 (18).
- R4–R7: 18 sc around (18 stitches for 4 rounds).
- R8: (1 sc, dec) × 6 (12).
- R9–R12: 12 sc around (12 stitches for 4 rounds).

Fasten off, leaving a long tail for sewing.

Stuff each leg firmly enough to maintain its rounded shape.

The lower part should be full and slightly flattened where it rests against the floor or display surface.

Repeat the same pattern for the second leg.

Before sewing, position both legs against the lower front portion of the body.

Angle them slightly outward so the bear can sit comfortably.

Use yarn pins or stitch markers to hold the legs temporarily in place. Sew them securely to the bottom of the body, checking that the bear remains balanced.

Step 9: Crochet the Red Christmas Sweater 🌲

The festive red sweater is one of the most recognizable features of this Christmas teddy bear.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The reference uses a simple crocheted tube with white edging and short sleeves. Because the sweater must fit over the finished body, check the circumference as you work.

Use red yarn.

Sweater body:

Begin with ch 26, then join the last chain to the first with a slip stitch, taking care not to twist the chain.

- R1: Ch 1, work 26 sc around, join with sl st (26).
- R2: Ch 1, work 26 sc around, join (26).
- R3: Ch 1, work 26 sc around, join (26).
- R4: Ch 1, work 26 sc around, join (26).
- R5: Ch 1, work 26 sc around, join (26).
- R6: Ch 1, work 26 sc around, join (26).
- R7: Ch 1, work 26 sc around, join (26).
- R8: Ch 1, work 26 sc around, join (26).

The original diagram indicates eight rounds of 26 stitches, using turning chains where needed.

At this point, test the sweater around the body.

If the tube is too narrow, increase the starting chain count in even increments. If it is too loose, use fewer starting chains or a slightly smaller hook.

Create the white lower trim:

Attach white yarn along the bottom edge.

- R9: Work sc evenly around the lower edge.

For a more decorative fluffy border, work an additional round of slip stitches or small scallops.

Create the sleeves:

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

The reference suggests attaching red yarn around the armholes and working approximately 4–5 rounds of single crochet.

For an easier beginner-friendly construction, use the red sections of the separately crocheted arms as the sleeves, then shape the sweater body around the shoulder openings.

Position the arms beside the upper sweater edge and leave openings wide enough for them. Use red yarn to stitch the sweater to the upper arms without closing the openings.

Add white yarn around the sleeve cuffs to match the reference photograph.

The finished sweater should have a red body, white lower trim, and white cuffs.

Step 10: Crochet the Santa Hat (Red and White Yarn)

The Santa hat completes the Christmas outfit. It has a rounded base, a tapered red crown, a white brim, and a fluffy white pom-pom.

Begin with red yarn.

Santa hat pattern:

- R1: 6 sc in MR (6).
- R2: inc × 6 (12).
- R3: (1 sc, inc) × 6 (18).
- R4: (2 sc, inc) × 6 (24).
- R5–R10: 24 sc around (24 stitches for 6 rounds).
- R11: (2 sc, dec) × 6 (18).
- R12: (1 sc, dec) × 6 (12).
- R13: dec × 6 (6).

Fasten off and weave in the yarn tail.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Hat-shaping note: The reference provides the stitch sequence above, but it produces a rounded, narrowing piece rather than the wide-based, pointed hat shown in the finished image. To achieve the pictured silhouette, crochet the hat from its narrow tip downward, gradually increasing until the opening fits around the teddy bear's head. Try the hat on frequently, since the head circumference will determine the number of additional increases required.

Make the white hat brim

Attach white yarn around the hat opening.

Work one round of single crochet evenly around the edge.

For a thicker, fluffier appearance, add a second round of single crochet or use textured white yarn.

The white brim should resemble the soft trim of a traditional Santa hat.

Make the white pom-pom

Use white yarn.

- **R1: 6 sc in MR (6).**
- **R2: inc × 6 (12).**
- **R3: 12 sc around (12).**
- **R4: dec × 6 (6).**

Stuff the pom-pom lightly with fiberfill before closing.

Fasten off, leaving a long tail.

Sew the pom-pom securely to the narrow end of the hat.

Gently bend the hat tip toward one side to recreate the playful shape shown in the photograph.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Step 11: Assemble the Christmas Crochet Teddy Bear

Once all the pieces are complete, assemble the teddy bear carefully.

The order of assembly makes a difference, especially when attaching the sweater and positioning the Santa hat.

[Ravelry: Christmas Cap pattern by Ekaterina Chirkova](#)

1. Attach the head to the body

Center the head over the upper portion of the body. Use light brown yarn and a yarn needle to sew it firmly in place. Add a little stuffing at the neck if needed to prevent wobbling.

[Big Twist Value Yarn Toffee 100% Acrylic, 6oz Skeins - Walmart.com](#)

2. Check the ears and facial features

Make sure both ears are securely attached and the muzzle is centered. Adjust any loose embroidery stitches before proceeding.

[Kit Amigurumi Coleção Natal 2025 Circulo](#)

3. Attach the arms and sweater

Slide the sweater onto the body, position the arms at the shoulders, and sew them firmly to the sides. Adjust the red sleeves and white cuffs so they look symmetrical.

[Skye the teddybear amigurumi pattern - Amigurumi.com](#)

4. Sew the legs to the lower body

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Attach the legs toward the front bottom of the body. Angle them slightly outward and test the seated balance before securing the stitches.

[Ravelry: Amigurumi Christmas Santa hat pattern by Vui Vui](#)

5. Attach the Santa hat

Place the hat slightly to one side of the head. Adjust the white brim above the eyes, allowing the ears to remain visible. Sew it in place if you want a permanent decoration.

After assembly, inspect all seams and gently reshape the stuffed pieces with your fingers.

Step 12: Add the Final Details and Perfect the Shape ✨

The final details give the teddy bear a professional handmade appearance.

Start by checking the symmetry of the eyes, ears, arms, and feet. The face should look centered when viewed from the front.

Use a yarn needle to hide any loose yarn ends inside the stuffed body.

Adjust the Santa hat so it curves slightly toward one side. The pom-pom should rest naturally near the tip without pulling the hat out of shape.

Straighten the white sweater trim and gently arrange the arms so they sit comfortably beside the body.

If the teddy bear leans forward or backward, redistribute the stuffing or adjust the position of the legs.

For a softer appearance, lightly brush the white pom-pom with your fingers, avoiding excessive pulling on the yarn.

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Step 13: Helpful Tips for a Beautiful Amigurumi Teddy Bear

A few simple techniques will help improve the appearance and durability of your Christmas crochet teddy bear.

Keep your stitches tight. Amigurumi should have a dense crochet fabric so the fiberfill does not show through the stitches. If necessary, use a smaller hook.

Stuff gradually. Adding too much fiberfill at once can stretch the stitches and distort the shape. Add small portions and distribute them evenly.

Maintain consistent tension. Even tension creates a smoother surface and helps matching pieces remain the same size.

Use stitch markers. Mark the first stitch of each round to avoid accidentally increasing or decreasing the stitch count.

Check the fit of clothing. The sweater and hat may require minor adjustments depending on your yarn, tension, and final head and body dimensions.

Secure every attachment. Sew the head, arms, legs, and ears firmly, especially if the finished bear will be handled frequently.

Step 14: Frequently Asked Questions About the Crochet Teddy Bear Christmas Pattern

Is this Christmas teddy bear suitable for beginners?

Yes. The project mainly uses single crochet, increases, decreases, and magic rings. Beginners should practice these stitches before starting and take extra care when assembling the pieces.

How long does it take to crochet the teddy bear?

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

Most crocheters can complete the project in approximately 6–12 hours, depending on their experience, yarn choice, and the amount of detail added.

Can I use different yarn colors?

Absolutely! You can create a cream, gray, white, or caramel-colored teddy bear. The Christmas sweater can also be made in green, burgundy, or other festive colors.

Can I make a larger teddy bear?

Yes. Using thicker yarn and a larger hook will generally produce a larger finished bear. However, you may also need larger eyes, additional stuffing, and adjusted sweater and hat measurements.

What is the best stuffing for amigurumi?

Polyester fiberfill is a popular choice because it is lightweight, washable in many applications, and easy to shape.

Can I make the sweater removable?

Yes, but you will need to modify the sweater construction. A back opening with buttons or ties is easier to remove than a closed tube, especially when the head is larger than the body.

Why does my teddy bear look different from the picture?

Differences in yarn thickness, hook size, tension, stuffing, and shaping can affect the finished appearance. The reference chart also simplifies some shaping details, so fitting the sweater and hat directly to your crocheted bear will help achieve a closer match.

Can I sell teddy bears made from this pattern?

<https://creative.craftsforlove.com/> - **SEE THE BEST PATTERNS**

You can generally sell handmade items you create, subject to any applicable pattern rights, local product-safety requirements, and rules for selling handmade toys.

Conclusion: Enjoy Your Handmade Christmas Teddy Bear 🎄🧸

Your Crochet Teddy Bear Christmas Pattern is now complete!

With its rounded brown body, adorable embroidered face, festive red sweater, white decorative trim, and cheerful Santa hat, this amigurumi teddy bear makes a lovely addition to Christmas decorations.

The project combines simple crochet techniques with creative assembly, making it a rewarding holiday craft for anyone who enjoys handmade gifts.

Whether you place your teddy bear beneath the Christmas tree, display it on a shelf, or give it as a thoughtful present, this charming creation brings warmth and personality to the holiday season.

Happy crocheting, and enjoy creating your very own Christmas teddy bear! ❤️
